SPECIFICATIONS

Overview

Reef Drifter is a 1983 34' Marine Trader in extremely good condition. The seller has spent the last few years detailing this boat to perfection. All exterior bright work is in excellent condition. A new American Diesel 139 HP engine was installed along with new fuel tanks in 2010, new state of the art Garmin chart plotters installed on the bridge and lower helm. This just begins the list! The interior offers a comfortable salon with galley up, a roomy aft master with a double and single bunk, en-suite head and shower with a forward v- berth with head. The roomy flybridge has an isinglass enclosure and plenty of room for cruising. Her seller has spared no expense to keep Reef Drifter in remarkable condition. She is a perfect vessel for the great loop or cruising the islands. She is now offered at a very competitive asking price. The seller is ready to upgrade to a larger vessel.

DETAILED INFORMATION

34' Marine Trader Walkthrough

Entering the salon from the starboard pilot house door you will find the galley up to port, comfortable built in seating with table to starboard and a couch to port. This is perfect for socialization with the chef! The lower helm is forward starboard. The master stateroom is aft with an access door to the aft deck. The guest stateroom is forward. Access to the flybridge is from the aft deck. Headroom in salon is 6' 8", master stateroom and forward stateroom is 6' 2"

34' Marine Trader Accommodations

Reef Drifter offers a very spacious and well appointed aft cabin with a full bunk to starboard and a single to port with ensuite head and shower. There is ample storage with drawers under the bunks and a hanging locker to port. The access door to the aft deck is located between the bunks. The guest stateroom is forward with a v-berth and private head, there is also a hanging locker to starboard. The overhead hatch offers additional light and airflow. Entire interior is appointed with a beautiful teak parquet sole and trim.

34' Marine Trader Galley

The galley up is located to port. The large windows offer plenty of light for the chef. The large salon sitting area is to starboard and offers a dining area with comfortable seating and a table. There is plenty of working counter space and storage under the counter. -Magic Chef 3 burner propane stove-Norcold 12v/120 VAC refrigerator-GF microwave oven-Single deep stainless steel sink-Storage cabinet and drawers-Beautiful teak parquet sole

34' ft Marine Trader Dining

Dining space is in the salon to starboard with a u-shaped sitting arrangement and large teak table. There is additional couch seating to port.

34' Marine Trader Aft Stateroom

The aft master stateroom offers a full berth to starboard and a single berth to port. There is plenty of storage with drawers under the berths. There is a hanging locker to port. Large windows all around offer a bright and cheerful master. The ensuite vacu-

flush head and shower are to starboard. This master is extremely cozy with teak wood appointed throughout. The aft master cabin door opens out with a hatch that folds back to allow beautiful air flow and easy access to the back deck. Headroom is 6'2"

34' MARINE TRADER GUEST STATEROOM

The guest stateroom forward offers a comfortable v-berth with en-suite head and shower. There is a storage locker to starboard with plenty of storage drawers under the v-berth. The teak parquet sole and teak appointments make this forward stateroom extremely cozy. The overhead hatch allows plenty of light and airflow when opened

34' Marine Trader Lower Helm

The lower helm is located starboard forward with full instrumentation. The lower helm Garmin is interfaced with the flybridge Garmin. There is also a bow thruster control at the lower helm. The adjacent starboardside pilot house door allows for easy docking and great cabin airflow.

34' Marine Trader Flybridge

The huge flybridge offers a full console forward with complete instrumentation and isinglass protection from the elements. The overhead bimini top is in perfect condition. There are two Todd helm chairs located to port and starboard. A bow thruster control is next to the helm steering. The flybridge offers excellent 360 degree visibility, this makes for easy docking. The mast is located center aft on the bridge. The teak deck is in beautiful condition. There is an enormous amount of available space on the bridge for storage boxes and equipment for long and short term cruising.

34' Marine Trader Trunk Deck

The aft trunk deck is the transition area from the bridge to the lower aft deck. There is a hatch located on the trunk deck which gives air flow and light to the aft master stateroom. Access to the swim platform from the aft deck.

34' Marine Trader Audi Visual Equipment

-Stereo in the salon -19" Vizio hdtv conveniently mounted in the port side aft of salon to a mounting bracket.
