DETAILED INFORMATION

Vessel Walk Through

This 50 Super Sport has been highly customized by knowledgeable owners. The hull was painted in 2017 and shines like new! The pulpit and bow rail were removed and a custom low profile rail was installed above a custom anchor chute giving a much more modern profile.

The Detroit Diesels start clean and run strong making this a very efficient boat to operate. When around a dock the captain will have complete confidence with the bow thruster and new mechanical controls.

The 50 Super Sport boasts a spacious salon and 3 stateroom layout direct from the factory. This 50 boasts a custom salon and new soft goods. To be appreciated the work has to be seen in person! To replicate the work done to this boat it easily will be in excess of \$350,000 if you start with a solid boat
