SPECIFICATIONS

Overview

The Paloma is one of the finest luxury yachts the world has ever seen. This beautiful Sunseeker boat combines high performance and great comfort. Built using modern techniques, advanced composites, and sumptuous materials, this magnificent yacht provides an indulgent and unique atmosphere for friends and family.

Expertly manufactured by Sunseeker in Poole, England in 2009, the Paloma is 30 meters long, 6.92 meters in breadth, and boasts a suite of elegant and functional quarters: 1 master cabin, 1 VIP cabin, and 2 twin cabins accommodate as many as 10 guests, in addition to 4 crew members in 2 crew cabins. Powered by 2 MTU V16 M93 2000 Diesel engines, the luxury yacht Paloma is capable of a cruising speed of 20 knots and a top speed of 28 knots. With 14000 litres fuel tanks, the yacht has a cruising range of 480 nautical miles. Her water tanks store around 2000 liters of fresh water. Generators --- 2x33KW @50Hz (Euro) / 2x40KW @60 Hz (US)

Salon

The Paloma was designed with guests' comfort in mind, right down to the very finest details. The salon features luxurious leather upholstery throughout, a cherry wood game table with cushioned stool seating for 4, as well as an upholstered tray-top ottoman. Matching accessories and cherry wood interiors are present in many areas of the yacht, creating warmth and harmony. Included in the salon is a Bose 5.1 surround sound entertainment system that is effortlessly controlled with a touch-pad.

The lounge area is appointed with plush, comfortable sofas and a decorative coffee table designed by Ralph Lauren. The Paloma's interiors are panelled in rich high-gloss wood and feature soft, neutral pile carpeting underfoot. Large windows in the salon offer panoramic views and plenty of sunlight, while redwood Venetian blinds allow for privacy when it is needed. High quality entertainment is provided by the retractable 50' LCD TV, equipped with Apple TV.

Conveniently located off the salon area are the VIP cabin and separate guest bathroom featuring elegant marble surfaces and a basin-style sink.

This exquisite cabin provides the ultimate home-away-from-home experience and includes a regal king-sized captain bed with plenty of storage space, as well as high-gloss cherry wood wall panels and detailing. Other amenities include upholstered seating, a writing desk, a hand-fitted bureau, and vanity cabinets.

The personal entertainment system is a 42' LCD TV with a Bose 2.1 Home Theater system and Apple TV, controlled by a touch-pad remote control.

A large bathroom is en suite in the VIP Cabin. There is a spacious independent shower and large basin-style sink, finished with beautiful marble accents.

Twin Cabin 1

The Paloma features 2 additional guest staterooms, each with 2 single beds, an additional folding bed, and en suite bathroom with shower.

Twin Cabin 2

Redwood Venetian blinds and walls decorated with mirrors and upholstery create a warm atmosphere in these cozy cabins.

Master Cabin

The well-appointed master cabin includes a king-sized captain bed, walk-in closet, plenty of built-in storage space and a large well-lit writing desk. The entertainment system is a retractable 42' LCD TV with a Bose 2.1 Home Theater system and Apple TV, controlled by a touch-pad remote control. Guests are treated to the comfort of plush bedding and soft towels, adjustable lighting, and an abundance of natural light thanks to wide panel windows.

The en suite bathroom features a spacious independent shower, marble counters and 2 basin-style sinks.

Aft Main Deck

The aft main deck serves as the primary al fresco dining area onboard, with comfortable table seating for up to 8 guests. Staircases provide direct access to the swimming platform, where a barbecue and a small table with 2 chairs provide yet another option for intimate dining.

Foredeck / Front Deck

The front deck features two elevated, cushioned sun pads that allow guests to relax while taking in gorgeous views and sunsets.

Flybridge

The open plan flybridge features 2 lounge areas: a full bar (including a sink, mixer tap, 2 refrigerators and an ice cube maker), a grill, 2 tables and a sofa are available to guests in the shade, while a large sofa with plenty of pillows allows guests to put their feet up and enjoy the sun. 2 smaller tables are perfect for lunch or cocktails. Guests outdoors can enjoy the same state-of-the-art Bose speakers as those present on the interior: sound systems on the flybridge, front deck and aft deck connect to the salon sound system and are controlled by separate remotes.

Command Posts

A total of 2 command posts with state-of-the-art control systems are conveniently located on the bridge and flybridge.

Crew Area

A fully equipped professional kitchen with 2 full-size refrigerators, all Miele appliances and ample counter space is located at the entry of the crew area. This area is also equipped with a washing machine, clothes dryer, and ice maker. The crew quarters include 2 cozy cabin equipped with 2 berth beds, a bathroom, and a living area.
