SPECIFICATIONS

Overview

The aft cockpit includes a spacious seating area for up to 10 guests adjacent to a large bar area which is perfect for welcoming guests on-board or serving. The Predator 130 boats an enormous fixed sun pad on the deck which further enhances the usability of this area. Moving through the double doors to the saloon we find a large saloon with sliding patio doors and drop-down balconies to both Port and Starboard.

As we move through the saloon we find the separate dining area with seating for up to 10 guests in a more secluded setting thus creating a more private area from the main saloon. VITAMIN D is a unique Sunseeker Predator 130 in the fact that she boats a “sky lounge” that acts as an “Upper Saloon” with its own bar area, cinema room and general relaxation area. The aft doors from the Sky Lounge open onto the flybridge which currently boasts a dining area for 10 guests but could easily be modified for have soft seating/sunbathing if required.

VITAMIN D provides accommodation for up to 10 guests in 5 En-Suite Cabins. The Master Saloon is on the Main Deck and features an opening balcony, a truly unique feature! The master en-suite has a full size walk in shower, his and hers sinks as well as a large bath for relaxing after a hard day on the water. Below decks we find accommodation for a further 8 guests in 4 En-Suite Cabins (2 x VIP’s and 2 x Twin Cabins). Best in class bathrooms and hull windows further enhance this already stunning vessel.

Fitted with 2 x 16V 4000 M93 Engines this is without doubt a true “Predator”. Fitted with fin stabilizers (cruising and anchor functionality), Twin Balconies from the Saloon and a further Balcony on the Master Cabin, Tropical Air Conditioning and a host of other upgrades VITAMIN D will not be on the market long.
