## Overview

---

"SILVER LINING" is a 2012 Sunseeker Manhattan 73 that epitomises luxury cruising as she has been defined by her ingenious use of space. With a beam of 5.86 Metres this beautifully stylish vessel enjoys increased volume throughout but particularly lower in the hull. This innovative piece of design enables a third double stateroom. She is a four cabin layout with three large double staterooms and an impressive twin cabin, there is a twin crew cabin aft.

On entry to the saloon on "SILVER LINING" you immediately feel the vast entertainment space due to one single, sweep through level which is endorsed by the large open galley.

"SILVER LINING" boasts a very modern interior with an elegant blend between the American Walnut Wood, Cream Leather Sofa's and Light Coloured Soft Furnishings which enhances the sense of lavishness.

The Flybridge is one of the most remarkable sections of this boat with a large sunbathing area next to the helm and ample dining and relaxing space to allow for long days to be spent on board in absolute comfort.

"SILVER LINING" is MCA coded for charter and has completed one successful charter season whilst maintaining very low hours on her MTU 10v 2000 M94 engines with JMS control, for ultimate manoeuvrability.

"SILVER LINING" is a yacht of high specification and light use, she is without doubt one of the best examples available on the market today.
