## Overview

---

KRAKEN, the only name you need to remember in your search for the best Sunseeker 84 Predator on the market. Built in 2009 KRAKEN is a prime example of one of Sunseeker's most popular vessels. The Predator 84 was a revolution when she was launched and this continues today with pre-owned vessels never on the market for long. Perhaps its due to her wide side decks that make access to her forward U Shaped Bow Seating area so easy, or maybe it's the rise and fall hydraulic platform which makes launching the Williams Jet Tender or Jet Ski that are located in her aft deck Garage so easy. Or maybe it's the comfort on-board due to the Trac Digital Fin Stabilizers which increase stability by approximately 40% whilst underway or at anchor.

Accommodating up to 8 guests in her 4 en-suite cabins KRAKEN is a unique opportunity. Benefitting from an extensive (+ 600,000 Euro) refit this is an opportunity not to be missed.

Mechanically her 2 x CATERPILLAR ACERT C32 Engines have been extensively rebuilt and now come with a 3 year or 1,500 Hour CATERPILLAR approved warranty! This full rebuild was executed by Caterpillar agents AJ Marine in the South of France and was done using official Caterpillar Parts, New Turbo's and even a new Engine ECU (not required but done to return the Engine Hours to 0 as recommended by Caterpillar themselves).

2 x Brand New ONAN Generators to match those fitted to new Sunseeker Motor Yachts with a full 2 year ONAN Warranty. Additional Shipyard Works (not limited to) rebuild and refurbishment of Stabilizers, New Stuffing Box, New Shafts Rebalanced, Rebalanced Propellers, Checking and replacement of any faulty/tired pipework/cabling, Anti Fouling, Full Deck Sanding, New Refurbished Anchor Chain, Refurbished Anchor, Raymarine Service and Updates Applied.

KRAKEN was not just refitted mechanically, her interior saloon benefits from a unique and practical update by luxury Italian designers. Custom made interior sofas have increased the seating and relaxing area throughout the saloon to a much more practical space. The coffee table has been replaced with a bespoke rise and fall unit which extends to create a large interior dining area when raised. New cabinetry throughout the saloon has allowed for the installation of a new 55 Inch Television, Wine Cooler, Drinks Cabinet and full AV Unit. The Helm station has also benefitted from a

complete console wrap thus improving the aesthetics of this area beyond recognition.

The exterior has also benefitted from a striking Black hull wrap along with a bold Red Boot Top Line ensuring that Kraken is easily recognised everywhere she goes. All the exterior upholstery has also been replaced and matching domes have also been installed to finish off what is the most striking Sunseeker 84 Predator on the market.

The Williams Jet Tender has also been refurbished with new tubes and exterior upholstery as well as a mechanical overhaul therefore rendering her virtually new.

KRAKEN, priced to sell and designed to impress....
