SPECIFICATIONS

Overview

The Stunning Sunseeker 82 Predator “XDM” is without doubt a truly unique opportunity to own one of Sunseeker’s most iconic Predators!

XDM is a particularly striking example of the ever-popular model. Her dark “Navy Blue Hull and Garage” is perfectly complemented by her “Off White” superstructure. XDM features the very rare and extremely popular fixed aft sunbathing area in the aft cockpit along with a rise and fall hydraulic platform, Garage for a Jet Ski and Tender and several other key upgrades.

This is the only Sunseeker 82 Predator to feature FIN STABILIZERS which reduce roll significantly whilst at Anchor and whilst cruising. The Predator 82 is a model which turns heads everywhere it goes and XDM is a perfect example of this.

XDM has the best saloon we have ever seen on an 82 Predator thanks to an extensive refit in the winter of 2015/2016 which saw all the soft furnishings replaced throughout the saloon and lower decks. Her new fresh white fabric sofas, cushions and blinds perfectly complement her cherry satin cabinetry making XDM one of the most comfortable and homely 82 Predator’s ever built.

Basic Information
