SPECIFICATIONS

Overview

“Hooligan” is without doubt one of the most beautiful Sunseeker 82 Predator’s ever built. Her striking black hull is complemented by her metallic silver superstructure making her an instant head turned.

Built in 2007 and extensively refitted in 2016 “Hooligan” has accommodation for up to 8 guests in 4 cabins. The 82 Predator is without doubt one of the most successful Sunseeker models ever built, a true Predator with striking lines that are instantly recognisable from ever angle.

Featuring a number of upgrades over the standard specification this is no ordinary 82 Predator, she really is “Hooligan”.
