

C2 — HATTERAS

Builder: HATTERAS

Year Built: 1999

Model: Sport Fisherman

Price: PRICE ON APPLICATION

Location: United States

LOA: 60' 2" (18.34m)

Beam: 17' 4" (5.28m)

Min Draft: 5' 10" (1.78m)

Max Draft: 6' 0" (1.83m)

Cruise Speed: 26 Kts. (30 MPH)

Max Speed: 33 Kts. (38 MPH)

Our experienced yacht broker, Andrey Shestakov, will help you choose and buy a yacht that best suits your needs **C2 — HATTERAS** from **our catalogue**. Presently, at **Shestakov Yacht Sales Inc.**, we have a wide variety of yachts available on **our sale's list**. We also work in close contact with all the big **yacht manufacturers** from all over the world.

If you would like to buy a yacht **C2 — HATTERAS** or would like help answering any questions concerning purchasing, selling or chartering a yacht, please call **+1(954)274-4435**

- **New Dometic Eskimo ice machine**
- **New navigation & A/V electronics**
- **FreedomLift tender lift system**

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 2000

Year Built: 1999

Country: United States

Vessel Top: Hardtop

Fly Bridge: Yes

Dimensions

LOA: 60' 2" (18.34m)

Beam: 17' 4" (5.28m)

Min Draft: 5' 10" (1.78m)

Max Draft: 6' 0" (1.83m)

MFG Length: 60' 0" (18.29m)

Speed, Capacities and Weight

Cruise Speed: 26 Kts. (30 MPH)

Cruise Speed RPM: 1900 Kts.

Max Speed: 33 Kts. (38 MPH)

Max Speed RPM: 2300 Kts.

Displacement: 74500 Pounds

Water Capacity: 200 Gallons

Holding Tank: 100 Gallons

Fuel Capacity: 1622 Gallons

Accommodations

Total Cabins: 3

Total Berths: 4

Sleeps: 6

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Deck Material: Fiberglass

Hull Configuration: Modified V-Hull

Hull Color: White

Hull Finish: Fiberglass

Hull Designer: Hargrave

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3412C

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

C2 is an extraordinary example of the famed 60 Hatteras Convertible that truly defies her age. She spent the first eleven years of her life in fresh water on the Great Lakes, used only in the summer months. Since coming south in the latter part of 2011, she has always been kept under cover. C2 has enjoyed a meticulous maintenance program and constant updates since new. In January, 2014, at approximately 1300 hours, both main engines were completely rebuilt by Gregory Poole Marine Power who is the exclusive Caterpillar supplier to Hatteras Yachts. At that time, transferrable **Caterpillar Platinum Warranties** were purchased. Coverage is for **60 months or 2500 hours, \$0 deductible**, which began February 24th, 2014 and is in effect through **February 23rd, 2019**. Currently there are under 400 hours since the rebuilds.

Set up to fish or cruise, she carries her dinghy on a remote controlled FreedomLift® installed on the transom. The lifting arms are easily removed for fishing and tender launching and retrieving is much easier than a davit on the bow.

Recent additions and updates include:

- Dometic Eskimo 600 lb per day ice machine (2016)
- Rupp 39' triple spreader outriggers (2016)
- Release Marine 6 rod rocket launcher (2016)
- Ocean LED underwater lights
- LED flybridge spreader lights (2016)
- Electric reel outlets (2016)
- Bose Lifestyle 600 stereo system (2016)
- Fusion MS-AV750 flybridge stereo system w/Bluetooth (2016)
- Salon sofa reconditioned and re-dyed
- All interior lights converted to LED (2016)
- And more....see below

Vessel Walkthrough

Entering the salon from the large 160 square foot cockpit, one is immediately impressed with a feeling of unobstructed airiness offered by the large windows, under counter appliances, maple wood joinery and earth tone furnishings. Immediately to port is a large taupe color L-shaped Ultraleather sofa with abundant storage beneath, which surrounds a high gloss teak cocktail table with burlled maple lift-up top. Opposite to starboard is the wet bar and entertainment center with granite countertop, and under counter cabinetry housing the new Samsung LED TV, Bose stereo system, and ice maker. Aft is an undermounted sink with bar faucet. Beige shadow stripe upholstered

cornices with matching Roman shades are port, starboard and aft, and all windows have maple wood mini blinds. The salon sole is covered in a beige berber carpet.

Forward to port is the gourmet galley with granite countertops, under counter Sub Zero refrigeration and abundant storage drawers and cabinets. Across from the galley to starboard is the U-shaped dinette with storage beneath, surrounding a granite table top mounted on a maple wood pedestal. The galley area sole is hard wood plank.

Continuing forward centerline, down four steps, through a companionway are the owner and guest accommodations. The master suite is to port and features an island queen size berth athwartship on a pneumatic lift which reveals storage beneath. Built-in maple wood night stands with drawers flank the berth on either side. An owners safe is hidden behind a panel at the head of the berth. A new Samsung LED TV and built-in dresser are at the foot. There is a large double door cedar lined hanging locker next to the entry door to the master bath with full length mirror. The large ensuite master bath features a tub with sliding glass door and shower, marble sole, mirrored ceiling, vanity with cultured marble top and an undermounted sink.

Moving forward through the companionway to starboard, is the guest/crew stateroom with upper and lower berths, two cedar lined hanging lockers, and seven built-in storage drawers.

The custom guest bath is next forward with entry doors from the companionway and the forward VIP guest stateroom. When the boat was built, the two forward heads were combined, creating a very large room with an oversized stall shower, large linen closet, oversized granite top vanity, mirrored ceiling and hard wood plank sole. Truly a home size bathroom.

The Whirlpool stacked washer and dryer are located forward in a locker on the port side of the companionway.

The VIP guest stateroom is all the way forward in the forepeak. A queen size island berth on a pneumatic lift is centerline with built-in night stands on both sides. There are two cedar lined hanging lockers and lots of storage in hull side cabinets and drawers port and starboard, as well as under the berth, A new Samsung LED TV is mounted to port. An overhead screened hatch provides natural light and an emergency exit.

The air conditioned flybridge is accessed from the cockpit via a custom mounted stainless steel ladder which has been angled out approximately 20 degrees with larger steps creating a much easier passage to the bridge without sacrificing cockpit space and functionality. The flybridge is enclosed on all four sides with Strataglass. There are U-zip openings port, starboard, and aft. Matching Stidd white Ultraleather helm chairs with polished stainless steel footrests and pedestals face the helm. The captains chair is electrically operated. All electronic components are housed for easy access by the helmsman. Just above the helm pod, a large console provides quick viewing of all system gauges and the Cat engine displays. A large touch screen multi-function display

is mounted in the center. To the right a huge vertical electronics box is angled toward the skipper. Both of these compartments have clear lexan doors that operate on pneumatic lifts. A low profile overhead electronics box houses additional components. There are cushioned bench seats to port and forward of the helm, which both have rod storage beneath. A large storage compartment is on the forward bulkhead with a pneumatic lift up lid. The flybridge has been wired with HDMI cable from the salon sat TV receiver for a portable television.

The spacious cockpit features a bait prep station, tackle center, cold plate refrigeration, freezer, and insulated cold box with an Eskimo ice feed all on the forward bulkhead. Fresh and raw water wash downs as well as dockside water hook up is forward on the port side. There is a new Release Marine 6 rod rocket launcher on a stainless steel pedestal mounted in the center of the cockpit. Two large macerated in deck fish boxes are aft and there is a transom holding box. A transom door is to port.

The engine room meets all expectations Hatteras is known for. The air-conditioning pumps are outboard of the port engine, batteries are outboard of the starboards engine. The genset is on the aft starboard bulkhead. Racor fuel filters and the fuel/oil change systems are on the forward bulkhead. There is plenty of space between and outboard of the engines with good access to all systems. All wiring is run through large corrugated conductors, getting them completely out of sight while still accessible in a time of need. All hoses are color coded. A large fan and oversized air intakes provide fresh air and circulation. Fluorescent lights both forward and outboard of the engines provide even bright lighting.

Salon

- L-shaped Ultraleather sofa w/storage beneath
- High gloss teak cocktail table w/burled maple lift-up top
- Upholstered cornices w/matching Roman shades
- Maple wood mini-blinds
- Starboard built-in entertainment center w/granite top
- Bose Lifestyle 600 entertainment system w/(4) Jewel Cube speakers & center channel speaker & subwoofer (2016)
- Samsung 32" LED television (2016) w/custom storage area behind
- Intellian sat-TV receiver
- U Line ice maker (2011)
- Stainless steel round bar sink w/Grohe faucet
- Glass/brass table lamp w/shade
- LED overhead lights on dimmer
- Whisper Walls paneled headliner
- Berber carpet

Galley

- (2) Sub Zero under counter refrigerator drawers
- (2) Sub Zero under counter freezer drawers
- Kitchen Aid microwave/convection oven
- Whirlpool (4) burner ceran top electric stove
- GE Monogram dishwasher
- Granite countertops
- Under mounted stainless steel sink w/single lever faucet
- Kitchen Aid garbage disposal
- (3) under counter storage cabinets
- (2) storage drawers
- (4) overhead storage cabinets
- U-shaped Ultraleather dinette w/granite table & storage beneath
- Starboard forward bulkhead storage cabinet
- Hard wood plank sole

Master Suite

- Queen size berth athwartship w/cedar lined storage beneath
- Built-in nightstands w/drawers
- (2) designer lamps w/shades
- Owner's safe w/digital keypad
- Samsung 28" LED TV (2016)
- Yamaha RX496 surround receiver
- Yamaha CDC 665 5 disc CD changer
- Intellian sat TV receiver
- Built-in dresser
- Cedar lined hanging
- Berber carpet sole

Master Bath

- Tub w/shower & sliding glass door
- Mirrored ceiling
- Maple wood vanity w/storage cabinet beneath, cultured marble top, under mounted sink & Grohe faucet
- Mirrored medicine cabinet
- Sealand Vacuflush head
- Exhaust fan
- Overhead LED lights
- (2) towel bars
- Towel ring

- Marble tile sole

Guest/Crew Stateroom

- Upper & lower berths
- (2) reading lights
- (2) cedar lined hanging lockers
- Overhead LED lights
- (7) storage drawers
- Berber carpet sole

VIP Guest Stateroom

- Queen size centerline island berth w/cedar lined storage beneath
- Built-in night stands
- (4) drawer built-in dresser
- Overhead storage cabinets, port & starboard
- Overhead Bomar hatch w/screen
- (2) cedar lined hanging lockers
- Samsung 22" LED TV (2016) w/custom storage behind
- Full length mirror on entry door
- Overhead LED lights on dimmers
- Berber carpet sole

VIP/Guest Bath

- VIP & companionway entry doors
- Large maple wood vanity w/(3) storage lockers beneath, granite countertop
- Under mounted sink w/Grohe faucet
- Sealand Vacuflush head
- Double mirrored medicine cabinet
- Mirrored ceiling
- Oversized stall shower w/bifold glass door
- Linen/towel locker
- Towel bar
- Hard wood plank sole

Laundry

- Whirlpool Thin Twin stacked washer & dryer

Flybridge

- Pipewelders hard top
- Custom angled, wide stainless steel ladder to flybridge
- Custom Sunbrella cushion flybridge hatch cover
- (2) Stidd Admiral white Ultraleather chairs w/polished chrome pedestals & folding footrests (port side captains chair electrically controlled, fore & aft, up & down)
- (4) sided Strataglass enclosure w/U-zips, port, starboard & aft, forward V zip
- 24,000 btu dedicated reverse cycle air conditioning
- Centerline helm pod w/electronics console above, overhead & starboard electronics boxes
- Stainless steel 3 spoke ships wheel
- Glendinning electronic engine controls & mechanical back up engine controls
- Bow & stern thruster joystick controls
- Port & forward cushioned bench seats w/rod storage beneath
- Port side insulated cold box
- Forward bulkhead storage locker
- Fresh water wash down
- HDMI video hook up to salon sat TV receiver
- (2) Molded in LED spreader lights (2016)

Cockpit/Fishing Equipment

- Dometic Eskimo 600 lb per day ice machine, plumbed to starboard day box (2016)
- Cockpit freezer w/custom stainless steel trays, Cruisair condensing unit
- Cockpit cold plate refrigerator/freezer, stainless steel lined, Frigibar compressor
- Custom angled, wide stainless steel ladder w/hand rails to flybridge
- Bait prep station w/sink & fresh water spray
- Tackle center
- Entry door to engine room
- Release Marine (6) rod white rocket launcher w/bait tray,(2) cup holders & tackle drawer (2016)
- Rupp 39' triple spreader Tournament outriggers (2016)
- Fresh water wash down
- Raw water wash down
- Dockside fresh water hook up
- Glendinning Cablemaster, port forward
- Hubbel 50 amp dockside electric inlet, starboard forward
- Hubbel cable TV/phone inlet
- (4) Hatteras gunwale mounted rod holders
- Port & starboard aft corner hawse pipes
- Port side transom door
- Large in deck fish box w/macerator pump

- Transom fish box
- Fiberglass swim platform w/folding swim ladder
- 12V electric reel outlets (2016)
- Cockpit courtesy lighting

Electronics, Navigation Equipment

- Furuno MFD12 12.1" NavNet 3D multi function display (2013)
- Furuno 6kW radar w/6' open array, 120 nm range (2013)
- Furuno DFF3 network sounder (2013)
- Furuno 235DHT-LMSE transducer (2013)
- Furuno PB150 Ultrasonic WeatherStation® (2013)
- (2) Furuno RD33 navigational data organizers w/4.3" LCD screen (2013)
- Furuno GP330B GPS/WAAS antenna
- Raymarine e127 Hybrid Touch 12.1" touch screen multi function display/GPS chart plotter (2014)
- Raymarine e7D Hybrid Touch 7" touch screen multi function display/GPS chartplotter (2014)
- (2) Raymarine i70 multi function instruments (2014)
- Raymarine CHIRP sonar module (2014)
- Sirius XM satellite weather module (2014)
- (2) Raymarine engine room cameras (2014)
- Raymarine AIS transceiver (2014)
- Simrad AP20 autopilot
- Icom M604 VHF transceiver w/built-in DSC
- SEA 156 VHF radio (galley area)
- Newmar PA 30/20 hailer horn
- ACR RCL-100 remote search light
- Ritchie 5½" compass
- Fusion MS-AV750 DVD receiver w/Bluetooth (2016)
- (2) Clarion 6½" marine speakers, flybridge
- (2) Caterpillar Marine Power Displays (MPD)
- Intellian i4 high definition satellite TV system
- (3) DirecTV HR24 HDTV/DVR receivers

Deck, Hull Equipment

- FreedomLift® hydraulic lift system w/removable lifting arms & remote control
- (4) Ocean LED underwater lights
- Maxwell 24V electric vertical windlass w/foot controls
- Delta galvanized plow anchor w/300' galvanized chain
- Bow pulpit w/anchor chute

- Anchor locker w/fresh water wash down
- Burgee staff on pulpit
- Custom stainless steel welded bow rail
- Awlgrip non-skid decks
- Awlgrip exterior finish
- Powder coated aluminum cabin side handrails
- (3) Bomar foredeck hatches
- Stainless steel solid rub rail
- International navigation lights
- Kahlenberg dual trumpet air horns

Engine Room, Mechanical Equipment

- Dometic E1540X Eskimo 600 lb. per day ice system w/remote control display panel
- FCI MAX Q® 1850 gpd modular watermaker w/fresh water flush & remote control panel, model# MQM1826S
- ABT 220V AC electric bow thruster
- Vetus 24V DC electric stern thruster (2012)
- (5) Cruisair reverse cycle air conditioning units: 24,000 BTU Flybridge 30,000 BTU Salon (2014) 12,000 BTU Master Stateroom (2017) 7,000 BTU Guest/Crew Stateroom 10,000 BTU VIP Guest Stateroom
- ZF 3.5:1 reduction gears
- 3½" stainless steel shafts
- Dripless shaft seals
- Glendinning electronic engine controls w/mechanical back up & wired remote
- Glendinning electronic engine synchronizer
- Headhunter Mach 5, 220V fresh water pump
- Headhunter X-Caliber 24V fresh water pump
- Fresh water accumulator tank
- 24V raw water wash down pump
- 30 gallon hot water heater (2011)
- Sealand Vacuflush sanitation system
- Dry Bilge System (2013)
- (3) Rule 24V automatic bilge pumps
- High water bilge alarm
- 24V fuel transfer pump
- Port & starboard 24V fuel priming pumps
- Oil change system, engines, transmissions, generator
- Halon automatic fire suppression system w/ manual pulls
- (2) engine room blowers
- Large 110V engine room fan
- Mechanical engine gauges, port & starboard

- Duplex Racor 1000 fuel filters w/vacuum gauges, each engine
- Racor 500 fuel filter, generator
- Kahlenberg air compressor for horns
- Air compressor
- Cruisair compressor for cockpit freezer
- Frigibar compressor for cockpit refrigerator/freezer
- Fresh water outlet & hose
- AC & DC engine room lighting
- WaVac central vacuum system

Electrical

- Onan 20 kW generator in sound shield w/2150 hours
- 110V/220V AC electrical system
- 12V/24V DC electrical system
- Port & Starboard 50 amp dockside electric input (Port Glendinning Cablemaster)
- (2) Charles isolation transformers
- Jefferson Electric buck boost transformer
- (4) 8D batteries (24V banks)
- 50 amp 24V battery charger
- Pro Mariner 20 amp battery charger, stern thruster
- Newmar DC converter
- Galvanic isolator
- Guest battery cut off switches
- Battery parallel system
- Central bonding system

Remarks

Too often adjectives like "Bristol", "Pristine", and "Immaculate" are used loosely when describing the condition of a yacht. C2 defines these terms and is in a class by herself. A must see for the casual fisherman who wants to cruise in security and comfort. She will not disappoint!

Exclusions

While every effort has been made to list all pertinent equipment aboard C2, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing. Dinghy in photos is not included.

Disclaimer
