DETAILED INFORMATION

About Done Deal

Built in 2009, the Sunseeker 86 Yacht "Done Deal" is a prime example of one of Sunseeker's most popular and forward thinking models in recent years. "Done Deal" boasts a number of unique features that sets her apart from other Sunseeker 86. It is clear the moment you step aboard that she was built with family cruising and entertaining in mind. Unlike other Sunseeker 86 Yachts, this particular example features an open Galley that overlooks the Saloon and Dining; greatly increasing the feeling of space as well as functionality at the same time. Carefully designed with her interior colors as well as fixtures and fittings greatly enhance this already exquisite vessel. Boasting 4 ensuite Cabins (Master midships, Forward VIP as well as sliding Twin Port and Starboard guest Cabins that convert to Double Cabins if required), with capacious windows greatly increasing the natural light in the Lower Decks and further enhancing the already opulent feeling onboard. She is fitted with stabilizers (zero speed and whilst underway) and a retractable hard top.
