## Overview

---

CRISTOBAL was built in the UK Princess Yachts yard and delivered in 2009. A refit in 2014, saw a new sundeck layout, a full repaint, and new interior decor and furniture. CRISTOBAL also saw additional upgrades in the past few years (2018-2020) to include, but not limited to; new teak decks, all new soft goods and carpet throughout. Most recently her galley was completely redone, which included new appliances. Accommodation is for eight guests in four staterooms. These consist of a master suite amidships with a king sized bed, a VIP stateroom forward with a king sized bed, a stateroom with a queen sized bed and a twin cabin. All staterooms come with television sets, entertainment systems and full en-suite facilities. The new sundeck is alive with possibilities for outdoor entertainment. The aft area is devoted to relaxation and a gym while to starboard forward is a large bar with a sink, fridge, ice maker and a Teppanyaki grill. In front of the bar a large LCD television monitor serves as an open-air cinema. To port big integrated sofa seats eight guests for alfresco dining and the entire deck can be protected from the sun by a large sliding roof. Twin MTU 2,000 CR engines give a cruising speed of 12 knots and she is fitted with zero speed stabilizers.

# DETAILED INFORMATION

---

## Overview

---

CRISTOBAL was built in the UK Princess Yachts yard and delivered in 2009. Refit in 2014, the refit saw a new sundeck layout, a full repaint and new interior decor and furniture.

Accommodation is for eight guests in four staterooms. These consist of a master suite amidships with a king sized bed, a VIP stateroom forward with a king sized bed, a stateroom with a queen sized bed and a twin cabin convertible into a double. All staterooms come with television sets, entertainment systems and full en suite facilities. The new sundeck is alive with possibilities for outdoor entertainment. The aft area is devoted to relaxation and a gym while to starboard forward is a large bar with a sink, fridge, ice maker and a Teppanyaki grill. In front of the bar a large LCD television monitor serves as an open air cinema. To port a big integrated sofa seats eight guests for al fresco dining and the entire deck can be protected from the sun by a large sliding roof. Twin MTU 2,000 C engines give a cruising speed of 12 knots and she is fitted with zero speed stabilizers.
