Remarks

IV My Ladies is a very rare find. She is one of a few 67' Hatteras Extended Deckhouse Cockpit Motoryachts built. Some of her outstanding features are: galley up, four staterooms, three heads, walk around decks, cockpit and very large flybridge. She has always been in fresh water and kept inside during the winter. IV My Ladies has only had 2 owners, which have always kept her in above standard yacht condition. She has very low hours for her age. IV My Ladies is a must see for anyone considering a Hatteras in this size and price range. She is easy to view in the Detroit area.
