Overview

Catalina 34's are well built sailboats that have enjoyed a storied production run and still draw fans of racing and cruising today. Ukiyo is a 1992 Catalina 34 designed by Frank Butler and carries an average PHRF rating of 138. Ukiyo is set up for single hand sailing with all lines and sheets leading into the cockpit. Ukiyo is the shoal draft, wing keel version that is near perfect for the Chesapeake Bay and other areas where shoal water is prevalent. Down below it is comfortable and surprisingly roomy for a 34 foot boat. If you are looking for a weekend cruiser/racer for fun with friends, or a romantic cruise with your significant other, then come see Ukiyo and get out on the water. The fall winds are coming.
