Manufacturer Provided Description

The Stamas 370 Express combines hardcore fishing with luxurious cruising comfort. The Express offers a variety of engine packages to maintain speeds in excess of 35 knots for the run to the day's fishing grounds. Offering one of the largest fighting cockpits in its class, it accommodates a full tournament crew with plenty of room for a custom fighting chair. The 13-foot, 2-inch beam and wide walkways allow for safe movement forward to the large fore deck. An elegant and spacious cabin is appointed with the finest amenities, including a fully equipped galley. The head has a separate shower stall. An oversize midcabin sleeper brings the total sleeping capacity of the Express to six people.

Built on a solid fiberglass hull with a wide beam and prop pockets, what separates this boat from other dedicated express fishermen is the midcabin interior of the 360/370—a layout usually seen only in cruising boats with V-drives or a sterndrive. (There's additional mid-berth headroom in the 370 thanks to the raised bridge deck.) Although the 370's redesigned cockpit is very an improvement over the 360—especially at the helm—both models have the necessary fishing amenities including a livewell, fish box, tackle storage and transom door. Engine access is excellent and the side decks are wide.
