# DETAILED INFORMATION

---

## Helm

---

- Twin helm seats with bolsters and foot rest.
- SeaDeck flooring at helm and swim platform.
- Full hard top over helm area with opening hatch.
- LED spreader lights and forward facing light bar.
- Twin Garmin 7610 XSV displays.
- Mercury Vessel View color display for 300 HP Mercury Verados.
- JL Media Master stereo control with color display.
- Lenco trim tabs.
- Lewmar windlass.
- Electronic Mercury engine controls.
- Garmin VHF 200 located on the port side of the hard top.

## Walkthrough

---

- The first thing you will notice when walking up to the 288 is her beautiful white and silver hull paired with shiny, new 300 HP Verados.
- The swim platform and helm area both have SeaDeck flooring that is very soft and comfortable to stand on.
- The stern of the boat has 3 fold out seating areas that can be stowed away for more cockpit space if desired.
- Just behind the middle seat in the transom is the live well.
- There are 2 large fish boxes on the outboard side of the cockpit with access to pumps etc in the center.
- The Yeti cooler is stored just below the tackle station on the back side of the helm seat.
- There are rod holders throughout and a rocket launcher on the back side of the hard top.
- There are also a number of cup holders located along the gunwales as well as at the helm station.
- As you make your way forward you will find a very comfortable seating area with enough room for 4 adults to lay out. The forward seating area has fold out back rest that can easily stow to make moving about the vessel very seamless.
- Just below the seating in front of the helm is a very large storage area/cooler with another storage area in the sole that is good for cleaning supplies etc.
- There are pop-up cleats around the gunwale with a very nice dive door on the port side.
- The Lewmar windlass is recessed into the bow and easily accessible when the hatch is raised.

- The head is located just below the helm and can double as more storage space if needed.
