SPECIFICATIONS

Overview

"Hooleygan" offers all the items you would expect on a world class fishing boat, she has the right engines which move her along gracefully at an easy load, enclosed bridge to make the crossings and passages much more comfortable. She was designed and built with prop pockets to allow for a 5'6" shallow draft and a more efficient shaft angle,

"Hooleygan" offers a rare opportunity for a low hour, recently painted Enclosed Bridge Viking 65 that has been impeccably kept by a very experienced captain; no expense has been spared to keep her maintained. She has updated electronics and engines have been serviced.

Walkthrough

Entering the salon from the Cockpit/Mezzanine through an air assisted door you enter a spacious open feeling salon with a large U-shaped sofa to port with a custom high/lo high-gloss Teak table. The entertainment center is to starboard. Forward on starboard you have an interior spiral staircase leading up to an Enclosed Bridge /Helm.

To port and forward of the Salon is a large U-shaped low profile Galley with 6 Sub-Zero refrigerators and freezers, with a large dinette to starboard with a high-gloss Teak table.

Forward and down several steps and to port is a spacious Master Stateroom with accompanying seating area which doubles as a single berth for overflow, the Master head is en-suite.

Just forward and to starboard is an upper and lower berths with a large head next to it that doubles as a day head.

All the way forward is the VIP Stateroom with a walk-around queen berth, closets, drawers and en-suite head.

The Enclosed Bridge is accessed from the Cockpit ladder and interior staircase. Abundant seating with a large L-shaped settee which is aft and a helm seat with a bench seat to port, all with good visibility to the large array of electronics (new Garmin's).
