## Overview

---

The “Lady Lauren” was one of Silverton’s more distinctive designs. She contains a full width Salon and a very wide beam with more interior room than most in her class. Below, forward the master stateroom features a queen center island birth, and the guest stateroom has twin single births, along with the couch in the salon she has sleeping for six and two heads.

The very keen, multiple boat owner has just had all services for the engine and generator recently completed and all systems are in working order. The vessel has spent 90% of her life in fresh water and it shows.

The owner has added a \$30,000 “Freedom Lift” with optional swim platform. The Freedom Lift will allow you to still use your platform and have a tender on board and when not in use the brackets for the lift itself are removable.

- Cablemaster
- Bow Sun Pads
- New Custom Mattress
- Strataglass
- FLIR Night Vision
- Back up Camera/Forward View
- Tender Lift-New in 2016
