DETAILED INFORMATION

Vessel Overview

Welcome aboard “DAYTRIPPER”. She represents the unique opportunity to own a low hour, ultra clean 76 Viking Enclosed Bridge model with the upgraded 2600hp MTU engine package. She just recently returned from the Viking factory service center where she was outfitted with a SEA KEEPER GYRO STABILIZER and brand new teak cockpit. Also while there her bottom was stripped and re coated and the boat was completely gone through by factory technicians to prep her for her proud new owner. Her enclosed bridge, 5 stateroom 4 ½ head layout is perfectly suited for long voyages, family fishing or global tournament battles. Below please find a list of just some of her custom features, factory options and vessel highlights.

- Viking pedigree and build quality
- 2600hp MTU engine package
- Sea Keeper gyro stabilizer
- Enclosed bridge with tower
- Massive cockpit
- Ice chipper
- Water maker
- Mezzanine seating
- 5 stateroom 4 ½ head layout with full beam master stateroom aft
- Day head
- Exterior and interior enclosed bridge access
- Garmin and Furuno comprehensive electronics package
- UW lighting
- Chilled water air conditioning system
- (2) 32 KW Onan gen sets

Cockpit

The second you step into the cockpit of “DAYTRIPPER” you realized the level of machine you are on. Her 20’3” beam makes for a massive cockpit with the ability to accommodate the most tournament tested crew. She features mezzanine seating to comfortably keep you in the middle of all the action. Some of her additional features include:

- New teak decks (8/17)
- (2) Bait freezers
- Large refrigerated step cooler
- Tackle storage drawers
- Hot and cold FW hand held shower

- Transom door with gate
- Under gunnel storage compartments
- Fresh and salt water wash downs
- (2) 100 amp Glendening cable master shore cords
- Engine room access door
- Cockpit sun shade
- Self-bailing cockpit with large scuppers
- Transom fish box
- Large deck fish box
- Eskimo ice chipper 600lbs /day with output to mezzanine

Salon

Entering the salon from the cockpit you simply press a button and the door opens electrically. It is very smooth and dependable. Immediately to port is the day head. It is a huge feature to not have to go all the way through the boat and down below to finally find a head. It also keeps the fishing team and any potential messy or wet individuals from parading through the immaculate interior. Just fwd of the day head is a spiral staircase leading up to the enclosed bridge. The over 20' beam translates directly to interior volume. The salon is spacious and well laid out in traditional sportfish style incorporating the galley on the same main deck level with no steps. There is a huge L shaped couch to stbd with a high gloss teak coffee table with burle wood inlay. This faces a massive flat screen TV with SAT TV and surround sound system. Salon highlights include:

- Electric salon door
- Amtico floor at entrance
- Teak molded stairwell up to the enclosed bridge
- Day head with granite countertop, copper sink and vaccu flush head
- L - shaped ultra leather sofa with storage underneath
- Hi lo coffee table
- Hunter Douglas silhouette blinds
- Scotsman ice maker
- Ample storage
- Main electrical panel with AC and DC breakers and Moritz Octoplex touch screen monitoring system
- 55" Samsung flat screen TV w/ Direct TV SAT capabilities
- Bose lifestyle home theater system

Galley

Immediately forward of the salon is the galley. This open social layout is perfect for

entertaining and keeps everyone together on the same level. The island style galley has three barstools on the salon side with cabinet bottle storage below. The countertops are a beautiful blue grey semi metallic granite. To stbd is a large dinette with high gloss burle wood table. The galley is equipped to satisfy the ship board gourmet. Her features include.....

- Island galley with granite counter tops
- (3) barstools
- Large dinette
- Amtico flooring extending out past the barstools
- (4) subzero under counter refrigerator drawers and (2) freezers
- Deep stainless steel sink with garbage disposal
- Trash compactor
- Dishwasher
- Four burner electric cooktop
- Microwave convection oven
- Galley exhaust fan
- Large walk in pantry fwd of galley with wine chiller
- Large windows with tons of natural light
- High gloss teak cabinetry with great storage

Lower Accommodations

Forward of the galley there is a stairwell that leads us down to a companionway to access the lower accommodations. The whisperwall wall coverings are broken up by high gloss teak batons that complement the nautical décor. At the base of the stairwell to starboard there is a small semi spiral set of stairs that lead you down and aft to the full beam master stateroom.

Master Stateroom

The full beam master stateroom is one of the many highlights of “DAYTRIPPER”. She features a centerline island king berth with his and hers night stand on either side. Large hullside windows let in natural light when desired to give her an open feel. Well-appointed with ample storage and tasteful décor this master stateroom lives up to her name. Additional highlights include:

- His and hers dressers with 4 drawers, one on each side aft
- Port side sit down vanity
- Ultra leather love seat to starboard
- Dual nightstands with reading lamps
- Hullside window with black out inserts
