The aft deck has a hardtop with full Iссerglass enclosure. Her cherry-wood interior and custom wood floors give her inviting warmth that is pleasing to the eye. Recessed cabin lighting creates just the right ambiance to bring out the golden-red hues of the wood, bring a cheerful brightness to the galley or infuse the salon with warmer lighting for evening gatherings. For personal comfort, she has four air conditioners with reverse heat throughout.

She is ideal for entertaining with her multiple seating areas inside and out - a dinette opposite the galley for meals, lounge-style seating in the salon, and ample bridge deck seating up top to enjoy the view while underway. There is a wet-bar on the aft deck for cocktails before dinner.

She has a large, well-equipped galley complete with microwave, four-burner stove top and oven, coffee maker, Sub-Zero Refrigerator with separate freezer, double sink, and ample storage. The galley looks out over the salon, making the chef a presiding part of any occasion. Large, forward-facing windows bring in plenty of light giving the galley a cheerful aspect.

Notably, the amidships VIP stateroom of the 453 is as big as the master stateroom aft both have its own entertainment center. Cedar-lined hanging lockers in each cabin keep one's clothes pleasantly scented and fresh.

The large swim platform encourages the joys of a swim while anchored in pristine waters and allows for extremely easy dinghy management. The large bow seat forward provides a secluded spot to dry off in the sun or read a favorite seafaring magazine.

She is powered with Factory Original Twin 450 hp C Series Cummins Turbo Diamond Diesels with less than 200 Hours and is equipped with a Factory Original Kohler 13.5 kW Generator in a hush box with only 300 hours.
