## Overview

---

WELL MAINTAINED! 32 foot Chesapeake Bay style deadrise with Cummins 450 power. This boat was custom made by Broad Creek Marine in 2005 and is one of the nicest boats in her class. Clean, well maintained and very fast, this boat has been lightly used and only has 452 hours on the engine. The nicely appointed interior and fine finish work would make her a great family boat for cruising and fishing the bay. The electroscan head and air conditioned interior are just some of the great qualities of this boat. Schedule an appointment to see her today in Easton, Md.
