SPECIFICATIONS

Overview

(LOCATION: Palm Coast FL) The Carver 350 Mariner is a full-bodied family cruiser with roomy interior and lots of on-deck space with foredeck lounge, flybridge seating for eight, and casual cockpit seating. With on-deck seating for many it's the perfect day cruiser and with overnight accommodations for six it's great for weekends and getaways.

On deck we start at the top with an open flybridge with radar arch, custom bimini top with full enclosure, and starboard helm station. Seating includes double-wide helm seat, a port side companion lounge, and guest lounge aft. To keep your guests refreshed there's a wet bar, service table with cup holders, and a handy hatch behind the helm seat gives direct access to the galley below. "Sidewalk" side decks give easy access to the foredeck with guest lounge that converts to a huge sun pad. Molded stairways lead from the bridge to the open cockpit with room for casual seating or fishing. Dual transom doors open to an extended swim platform with boarding ladder and H&C shower. Sliding cockpit doors give entry to the salon.

The carpeted salon is open and spacious. As you enter the salon you will find a large sleep sofa starboard along with an entertainment center and ladder to bridge. The entertainment center houses TV and sound system. Port side we find a large wraparound dinette that converts to a double berth. The galley is mid-ship and features upper & lower cabinets, a refrigerator/freezer, two-burner electric cook top, and counter with integrated sink, coffee maker, and built-in microwave oven. The salon has bridge hatch that allows free movement of beverages and refreshments to the guests above.

The stateroom is forward and features a offset double berth, drawer and shelf storage, and hanging locker. The head compartment is starboard with stateroom and a salon doors. It features a mirrored vanity with sink, vacu-flush head, and a roomy shower stall with bench seat.

Power is provided by twin Mercruiser 6.2L Horizon engines with low hours. Mechanical features include a Kohler 6.5-kW generator, two reverse cycle HVAC units, halon fire suppression, and water heater. Call now for more information and to schedule a showing of this spacious Carver Mariner.
