SPECIFICATIONS

Overview

ASTRID CONROY 58m, originally christened with the name of Tyndareo, was built by Amels with steel hull and aluminum superstructure for owners who desired a yacht ideal for informal cruising with friends and family. Both exterior and interior were made by Andrew Winch Designs. The yacht stands out for timeless exterior profile having 4 decks connected by elevator and solid inner volume of 923GT. ASTRID CONROY has master and 5 luxury guest cabins luxury sleeping 12 guests altogether plus two pullmans, and features two saloons, library, gymnasium, Jacuzzi, and beach club. She was sold upon her launch however to an owner with a distinctly different lifestyle and consequently underwent two extensive refits. The latest one taken in 2014-2017 included upgrades of IT/AV, SATCOM, creating a more contemporary and dramatic interior by Michela Reverberi Design, incorporating an onboard cinema and disco, full paint of grey metallic for superstructure. The boat is classed with Lloyds, has been always privately used and maintained to highest standards.
