SPECIFICATIONS

Overview

This NEW vessel, manufactured by LeClercq Marine Construction, Inc. has an interior designed by Sylvia Bolton Design giving it a subtle hint of a contemporary Oriental theme throughout. The upper decks (main and Skylounge/pilothouse) have cabinetry of Honduras Mahogany with deep satin finish and lightly sculpted carpets throughout except for the linoleum tiles in the galley and heads. The lower deck accommodations exhibit a unique blend on Carpathian Elm, Honduras Mahogany and Birdseye Maple cabinetry and plush carpeting throughout. This custom tri-deck motoryacht profile presents a raked stem, flared bow, straight sheer and "Euro-style" transom with integral swim platform. The upper boat deck houses an enclosed pilothouse/skylounge with a boat crane. She also includes ten custom Italian polished 316 stainless steel oval shaped portlights in the hull below the shear guard, all of which open except the forward most two (in the VIP stateroom).
