14. COMMENTS

Built without a budget to exceptional standards for truly safe, comfortable and economic global exploring. T6 is an award winning, manageable and highly detailed sea going yacht with substantial backup systems. She is for the adventurer who wants to stay low key however also requires the benefits of the 3D world of helicopter flying. With a dedicated helicopter hanger and tender storage there really is no other yacht of this magnitude available. A timeless piece of outstanding engineering which has been impeccably maintained. 10 Year Lloyds survey completed in May 2017.

15. MAINTENANCE NOTE

Most recently, in 2018, the topsides were hydro-blasted, refilled/faired and resprayed. The B3 AS 350 Helicopter was also completely serviced over winter 2018.

A comprehensive list of all maintenance and works can be requested upon request.
