SPECIFICATIONS

Overview

This RIVA Super Aquarama is the unique chance to acquire one of only 203 boats ever built in this series. Offered in perfect condition, complete overhauled and ready to start.

After stringent testing of the 1962 prototype, the Lipicar, the Aquarama entered production in 1963. The hull was completely identical to that of the Open Tritone, whose production was ended, with many technical and functional improvements.

The latest in nautical technology and engineering meets beautifully refurbished, vintage Cote d'Azur glamour!
