## Overview

---

This 2007 64 Viking enclosed bridge is the lowest priced on the US market. She is fully loaded and ready to fish. Whether you plan to fish tournaments or just cruise, she is ready to go. This boat has all the options, including 2 Eskimo ice chippers in the fishboxes, mezzanine A/C, a full electronics package and a four stateroom layout with a queen berth forward. 2,200 gallons of fuel and a large, comfortable enclosed bridge will get you to the offshore grounds in exceptional comfort and style.

# DETAILED INFORMATION

---

## Vessel Walkthrough

---

Entering from the starboard side of the cockpit, you will step through a pneumatic sliding door into the entryway of the salon. Immediately to starboard, you will see a teak spiral staircase leading up to the large enclosed bridge helm. Across from the staircase is an L-shaped sofa with ample storage room below. Moving forward, there is a U-shaped dinette with additional storage directly across from a very spacious galley. The galley feature Amtico flooring with granite countertops, Sub Zero refrigerators and countertop inserts for the sink and stove. The companionway leads you down a set of stairs to an offset master stateroom to port. At the base of the companionway stairs to starboard is access to a guest stateroom with two side by side twin beds. Down the companionway forward, as you pass the stacked washer and dryer and a large linen closet, you will see a third stateroom with upper and lower bunk berths. In the bow is a centerline queen bed. The master and VIP stateroom have independent heads while the two split berths share the day head. Engine room access as well as secondary access to the bridge can be found in the cockpit, forward of the Release Marine fighting chair.

## Salon

---

- AC/DC Electrical panel - up
- Channel Plus Entertainment/DVD/System
