## Overview

---

"Adelante" is an excellent example of a well-maintained 60' Hatteras Sportfish. This vessel has been upgraded throughout her life and captain-maintained since new.

She received a fresh new paint job in 2016 and shows above average. Chalking seams on the flybridge deck were removed and glassed over like the newer Hatteras convertibles to give a more contemporary look.

Key Features Include:

- 1300 Hours since rebuild on CAT 3412' s with receipts from the Caterpillar certified mechanic
- Twin 21.5kW Onan Generators
- Upgraded Linear Exhaust and Risers Redone 2015/2016
- Eskimo Ice Chipper
- Scopinich Fighting Chair; Outriggers,
- Full Tower
- Underwater 220V ( very bright) by Deepsea lights each light has separate breaker
- Electric reel outlets 24V under gunnel

DYSID:3113364

## DETAILED INFORMATION

---

### Salon

---

As you enter the salon door, you will notice this vessel has been updated from the original factory decor. To port is an L-shaped black leather sofa with rod storage and a custom coffee table with teak varnished Sailfish inlay.

To starboard is a custom electric pop-up Sony Bravia flatscreen TV, surround sound, entertainment center and ice maker. Wood blinds, tinted windows, and nice decor throughout. There is salon carpet and teak-and-holly flooring as you approach the galley area.

### Galley and Dinette

---

The galley is to port and well equipped with lots of storage. Across to starboard is dinette seating with drawer storage above and below.

- Teak and Holly with under counter lighting
- Vinyl headlining with LED lighting
- Wood valances with wood blinds
- Fixed frameless windows with tinted safety glass
- Solid-surface Upgraded black granite countertops with integral sink and storage cabinets made of finished wood
- (4) sub-zero refrigerator and freezer drawer units
- AC four-burner cooktop
- Stainless Microwave with convection oven
- Garbage disposal

### Master Stateroom

---

Moving forward from the galley, to port is the master stateroom. You'll find a double-wide island berth with headboard and a mirrored back bulkhead with nightstands. Storage is located on both sides with outlets and additional storage below the berth. The master head, vanity and shower stall is forward and outboard.

- Entertainment Center Inboard with TV
- Kenwood Stereo
- Sony DVD player

### Guest Stateroom

---

The guest stateroom is across from the master located starboard with over/under berths, an enclosed head, vanity and shower forward and hanging locker storage aft in stateroom.

---

## Forward Stateroom

---

All the way forward and below decks aft of the chain-locker bulkhead is a forward enclosed cabin with over/under berths. To starboard is the private head with teak and holly floors, vanity and enclosed shower stall.

- Seating area to port with cushion
- storage below to starboard and to port
- storage drawers.
- located aft of the berth to port is a hanging locker

---

## Cockpit

---

The molded fiberglass cockpit has a spacious 151 square footage, transom live well, and Eskimo ice chipper. There is seating along top of the compartments on both sides.

- Port and starboard hatches with storage bin, drop-in and access to lazarette and fuel tank connections
- Scuppers in cockpit and cockpit hatches
- Stainless steel ladder to flying bridge with acrylic steps with cut out to tower
- Shoreline electrical inlet and retractable shore cord 220v 50 Amp
- Coaming gate and transom door
- Seawater and freshwater washdown outlets with hose connections
- Shore water connection with pressure-reducing valve
- Bait and tackle center including sink with faucet, cutting board and storage below (port)
- Bait freezer, drop-in (port center) Insulated drink box, Twin Refrigerator compartments below
- Removable fish box with macerator, flush in deck
- Molded-in transom fish box with drain Engine room door - Steps and door to deckhouse - Cockpit boarding step box - Overhead lights under flybridge overhang LED
- Mounting plate laminated in deck with Scopinich chair with rocket launcher

---

## Flybridge And Tower

---

Moving 10 steps up the enter fly bridge latter is the upper helm station with starboard side console and overhead electronics panel. Rod storage space in forward locker and

---

additional storage in port seat and in console - Welded aluminum rails and stanchions.

- Twin helm Seats
- Twin Furuno Nav Nets
- 2 VHF's
