Hull Designer: Nauta

Exterior Designer: Nauta

Interior Designer: Nauta/Owner

Engine Information

Engines: 1

Manufacturer: Cummins

Model: QSB 5.9

Engine Type: Inboard

DETAILED INFORMATION

Accommodations

There is a fantastic 360 degree view of the sea when one is sitting inside the deck house. One of the unique features of XNOI is the double dinette in the main salon which allows guests to experience the four areas of the boat at the same time: the main salon with a large table which seats eight; a sitting area which can be transformed into a second lunch area for five; a lower salon sitting/TV area and an office area with PC, printer and dedicated fridge. Heading forward from the Guest cockpit, one enters the raised upper salon which is full beam and includes a dining table to port and a comfortable lounge to starboard.

Moving down and forward again, you arrive in the full beam lower salon with lounging area to port and office/work station to starboard. Next forward is the Master suite with Queen size berth and en-suite. There are additional 3 twin bedded guest cabins all with en-suites and two have Pullman berths. The Crew quarters are aft and finished to the same high standard as the rest of the boat. There are 2 separate cabins with upper and lower berths each with its own bath and shower. The Crew mess, galley, nav station and laundry area completes the crew quarters. All interiors are of a minimalist style personally conceived and designed by the owners. Light oak wood is used consistently throughout the boat along with light oatmeal upholstered sofas.

Mechanical

Engine: Cummins QSB5.9, 305 hp, 2010 Engine Hours: 2135 (8/31/17) Gear Box: Varifold Propeller 4 blades Steering System: Solimar double wheel, independent steering system with Spectra cables Bowthruster: Retractable, maximum power 32.5 hp Generators: Northern Light 25 kW, 3353 hours (8/31/17) Northern Light 12 kW, 2500 hours (8/31/17) Electricity: Shore Power: 220 V, 50 hertz Batteries: Service Batteries: Sonnenschein DryFit units 2000 Ah 24 V Starting Batteries: Excide Gel 200 Ah 24 V Generator Batteries: Sonnenchein 200 Ah 24 V Generator Batteries: Sonnenchein 150 Ah 24 V Emergency Batteries: Sonnenchein Dry Fit 200 Ah 24 V Hydraulic System: 1 Power Pack with two 15 kW electrical motors (Bow thruster, Furler, Winch Main Sail Sheet) PTO Linked to 25 kW generator (Bow thruster, Furler, Winch main sail sheet) Navtec electric and manual pump (Backstay, Inners, Wang) Air Conditioning: 2 x 50,000 BTU Frigomar Water Makers: Idromar 2 x 180 liter/hour Water System: 2 Integral composite water tanks, total capacity 3,000 liters Toilet System: Electric Tecma salt/fresh water circulation

Remarks

XNOI is a unique example of a performance cruiser designed by the renowned Nauta Studio. She was built in 2012 at the La Spezia facility of Perini Navi for a passionate and highly knowledgeable owner whose experience and fine eye for detail added to her overall quality. She has been maintained and operated by her original Skipper and shows immaculately. XNOI offers 4 superb staterooms, 2 separate salons, including a full beam raised main salon which provides superb views of the water, and excellent Crew quarters. She has a superb track record as a charter boat and her connection to the Perini yard allows a buyer to join the Perini Family in an entry level size vessel. Offered by a serious seller and easily inspected in her home port of Genoa.

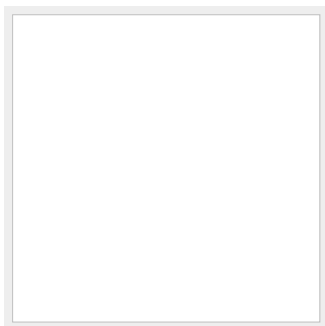

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
