# DETAILED INFORMATION

---

## Layout and Accommodations

---

Stepping aboard is easy thanks to a good size swim platform with flexi-teak overlay with entry through a transom door into the cockpit. The cockpit has a wetbar to port with built in ice maker and a wrap around u-shaped settee/lounge to starboard. This settee features a table which is great for enjoying drinks with friends or dining al fresco! Forward and to port is a second bench type settee which has a filler for lounging or can be removed and replaced with a second cockpit table. The entire cockpit has white upholstery trimmed with tan accents which is in excellent shape along with snap in cockpit carpet. To starboard is the full featured helm with dual bolster style helm seating for captain and companion. The helm has a wood grain steering wheel and dash panels which trim out the white faced analog gauges very sharply. The captain will also benefit from a Raymarine A60 Color Chartplotter and depth sounder making navigation easy! Access to the bow is safely through a centerline opening in the windshield and steps up from the cockpit. The bow has sunpads for catching some rays and line handling is made easy thanks to the convenient walkthrough. Down below in the cabin the feeling is light and opened with two large circular overhead hatches and several hull side port lights. The interior is done in a neutral beige carpet and upholstery, wall covering and headliner in white and then accented nicely with gloss cherry salon table, galley cabinets and head door. The interior is in immaculate condition and features a double berth forward with privacy curtain, full featured galley to starboard, large settee with table to port, standup head with vacuflush toilet and then a mid cabin featuring a second private double berth.

- Dual Voltage Refrigerator and Freezer with Cherry Wood Paneled Door
- Black and Decker Spacemaker Coffee Maker
- Kenyon Two Burner Stovetop
- Solid Surface Galley Counters with Recessed Sink and Faucet
- Microwave Oven

---

## Engines & Mechanical

---

This boat is properly maintained enjoying good preventative maintenance by the owner and a local boatyard where the boat is hauled, winterized and shrink wrapped every off season. Recently the owner had the IAC valves and starters changed on both the port and starboard motors. At spring commissioning the yard completes all recommended

fluid and filter changes and goes over the boat checking on temperature, performance and completing safety checks on equipment, lights, bilge pumps, etc.

- Two Mercruiser 5.0L MPI engines
- Two Bravo III Outdrives with 4-3 Stainless Steel Props
- Quicksilver Oil and Fuel Filters - Changed June of 2017
- Hydraulic TeleFlex Steering
- Firebox Automatic Halon Fire Extinguishing System

---
