SPECIFICATIONS

Overview

This family express cruiser is a great boat for cruising the coastal waters, inland waterways or relaxing at your favorite mooring or marina. Sleeping accommodations for six, with two spacious staterooms and an expandable dinette for a third berth, make this your home away from home. A spacious galley and dining area with all the creature comforts, including a large head with shower provides for an enjoyable and comfortable stay on the water. Low hour Twin Mercruiser 5.7 mag 350 engines get you to your destination quickly without breaking the bank, fuel wise. A Kohler 5KW generator provides all the power you would need afloat as if your were still dockside. The molded in fiberglass swim platform, transom door and swim ladder make for easy entry from dock or water. Built in storage throughout this cruiser allows for fun items as well as docking necessities. A full enclosure surrounds the cockpit and helm from what Mother Nature may bring your way. A 15,000 BTU MarineAir HVAC sytem supplies generous heating and cooling when conditions warrant. This is a great family boat that is looking for a new family to enjoy. The current owners are moving up and are anxious to sell her to someone who will care for and enjoy her as much as they have.
