Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

The latest generation 70 Hatteras Motor Yacht was debuted at the 2015 Ft Lauderdale International Boat Show, to rave reviews and a handful of orders. This Euro style vessel has since morphed into the freshly anointed **M75 PANACERA** as of August 2017. (The *overall length* is 74'6"). There have been 8 models delivered to date, with **MAYBE NEXT YEAR**, hull # 5, the only enclosed bridge version commissioned thus far.

The sophisticated Italian influenced design features, and her *blue water* passage making capabilities, elevates the **M75 PANACERA** to an elite status in the yachting fraternity. In fact, the 2016 June Robb Report awarded her "**BEST OF THE BEST**".

Walkthrough

Access options are from boarding gates aft to port & starboard, and forward gate to starboard via a Marquipt tide ride ladder with swivel base. If moored at *floating dock* can step on swim platform and up port or starboard stairs to aft deck. The stairs, ladders and aft deck are teak.

The aft deck, with seating and wet bar, has stairwell to starboard leading to the fly bridge boat deck -- and a portside stairwell down to the crew quarters and engine room. Full walk around side decks lead to foredeck seating.

Enter the main salon thru double glass electric doors from aft deck. The primary seating area is to starboard with entertainment section across to port, followed by stairwell down to staterooms aft, then on deck powder room and stairwell to enclosed fly bridge. The galley is next to port, with a U shaped, aft facing settee furthest forward.

The enclosed Fly Bridge - Sky Lounge, is accessed from salon stairwell or boat deck. The helm station, settee and entertainment section occupy this most desirable space.

There are 4 staterooms below decks with full beam master aft, twin guest stateroom to port -- queen guest stateroom across to starboard and VIP with island queen stateroom furthest forward. Three bathrooms service the staterooms.

Crew quarters are aft with 2 separate cabins (1 double & 1 single) and a shared bathroom. The engine room is next forward with twin C-32A Caterpillar 1900 hp. engines (full transferrable warranties thru December 2021) and twin 29KW Onan generators.

Aft Deck

- Forward facing bench seating at transom with Release Marine teak table
- 4 portable chairs with covers
- Wet bar – stairwell to bridge deck
- Port & Starboard teak stairs down to teak swim platform with hoop rails

- Electrical distribution panels
- 12 & 24 volt DC system - 110 & 230 volt AC system
- Dual Raycor fuel filters
- Spot Zero water filtration system

Broker's Remarks

Offered at approximately \$1,000,000 below replacement cost, **MAYBE NEXT YEAR** is absolutely "*better than new*". She is the only **Enclosed Bridge -Sky Lounge - M75 PANACERA** commissioned by **Hatteras Yachts**. With moderate, private use, less than a year old she is in remarkable condition both cosmetically & mechanically. Fully transferrable engine & generator warranties is yet another significant benefit.

If you are in the market for a 1st class - manageable vessel, with the newest generation design & systems - look no further!!

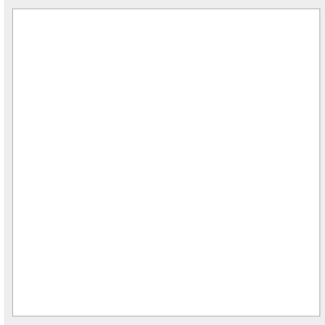

Exclusions

Owner's personal belongings.
