## Overview

---

The "Mega Watts" is the slightly smaller sister to the very popular 39 Sovran. Both models had hugely successful runs and they remain popular to boaters looking for all the modern amenities, including joystick controls for easy docking maneuvers, and good sized salon with an air conditioned helm area as well. This extremely well kept, low-hour boat is a one owner boat and it shows in every room and compartment.

Other notable options are the 20" LCD TV in the aft lounge, Bose Stereo System, the Premium Sun Interior, and SAT TV Dish. Please call for an appointment to view this beautiful Tiara 35 Sovran.
