SPECIFICATIONS

Overview

This 42 foot Bertram has spent the majority of her time in the fresh water of the Great Lakes. And being a fresh water boat really shows in how good of condition she is in. The current owner bought her, and had her shipped from the Great Lakes to Virginia. Continually redone over the last eight years, this Bertram looks and performs like a much newer boat. She comes well equipped with both Heat and AC in her salon. She has 3 cabins, with the side cabin with 2 single berths, and the front V berth converting to a queen size bed. Her bathroom comes with a separate shower, making this boat great for those overnight fishing trips, or spending a vacation on the water. Jerri Lynn truly needs to be seen to show how great a shape she is in for a vessel this age.
