Manufacturer Provided Description

Versatility best describes the Hunter 466. Whether owners want to cross oceans or bays, bang around the buoys or just liveaboard, this boat has the capacity to do it all. The dinette area is large enough to handle the crew, but intimate enough for just two. Storage is plentiful as is the natural light and ventilation. Hand-rubbed teak and exquisite fabrics are in evidence throughout the grand interior. An innovative forward head arrangement splits the shower and head so both can be used at once. A large dual-opening refrigerator and freezer are central to the U-shaped galley. The Force 10 stove and oven, plus a microwave will make dinners a joy to prepare, while the island sink will have cleanup covered. Storage for everything is at hand including the recessed trash receptacle. The forward master stateroom rivals most yachts twice her size. Twin hanging lockers and lots of drawers make staying aboard easy and a great night's sleep is guaranteed by the innerspring mattresses. Entertaining is gracious with the open salon which incorporates a TV and CD stereo. Twin comfortable seats and a convertible cocktail table are located just forward of the extensive nav station with plenty of space for electronics and gear. Aft, owners have a choice of two layouts: dual staterooms or trade one in for an office / work area. Both are large, airy and comfortable.

Exclusions

Owner's personal belongings.
