

UBIQUITOUS — WESTPORT

Судостроитель: WESTPORT

Год постройки: 2011

Модель: Моторная яхта

Цена: **ЦЕНА ЯХТЫ ПО ЗАПРОСУ**

Местонахождение: United States

Длина общая: 112' 0" (34.14m)

Ширина: 23' 9" (7.24m)

Мин. осадка: 5' 6" (1.68m)

Крейс. скорость: 22 Kts. (25 MPH)

Макс. скорость: 25 Kts. (29 MPH)

Купить **Ubiquitous — WESTPORT** а также выбрать подходящую вам яхту из нашего каталога яхт вам поможет опытный яхтенный брокер Андрей Шестаков. На сегодняшний день компания **Shestakov Yacht Sales Inc.** имеет большое количество яхт в собственном списке продаж, а также тесно сотрудничает со всеми крупными яхтенными производителями по всему миру.

Для того чтобы купить яхту **Ubiquitous — WESTPORT** а также проконсультироваться по любому вопросу связанному с покупкой, продажей, чартером яхт позвоните по телефону **+7(918)465-66-44**.

Обзор

NOT FOR SALE TO U/.S.CITIZENS WHILE IN THE UNITED STATES ON
DISPLAY FORT LAUDERDALE BOAT SHOW WESTPORT VENUE

Основная информация

Тип судна: Моторная яхта

Подкатегория: Raised Pilothouse

Модельный год: 2012

Год постройки: 2011

Страна: United States

Номер регистрации в береговой
охране: Valleta

Верх: Hardtop

Открытая палуба мостика: Да

Размеры

Длина общая: 112' 0" (34.14m)

Ширина: 23' 9" (7.24m)

Мин. осадка: 5' 6" (1.68m)

Трапы: 34' 0" (10.36m)

Длина привального бруса: 112' 0"
(34.14m)

Скорость, вместимость и масса

Крейс. скорость: 22 Kts. (25 MPH)

Макс. скорость: 25 Kts. (29 MPH)

Водоизмещение: 236000 Pounds

Чистый вес: 205 Pounds

Вместимость воды: 1012 Gallons

Вместимость сточного бака: 600 Gallons

Объем топливного бака: 5500 Gallons

Размещение

Всего кают: 4

Корпус и палуба

Материал корпуса: Fiberglass

Материал палубы: Teak

Комплектация корпуса: Planing

Цвет корпуса: white

Информация о двигателе

Двигатели: 2

Производитель: MTU

Модель: MTU-DDEC 16V2000

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Main salon

- Raised buffets port and starboard, lower side buffets
- Stone counter tops
- Outboard cabinets have Crotch Mahogany veneer and Sapele with high gloss finish
- Sofa and love seat placed in "L" shape with 3 occasional chairs, cocktail table, end tables, game table
- Overhead detail features a Domed oval overhead ceiling over the dining area
- Veneer dining table top and base with glass inserts and 8 chairs
- Two mirrored Lucite storage cases
- Media storage
- Fashion tech blinds and shades with Somfy motor and RTS control
- Large 4-panel polished stainless steel sliding door, weather tight, bonded glass
- 47" LCD TV
- Surround Sound receiver/speaker system
- iPod docking station
- Satellite receiver
- Blu Ray DVD/CD player
- Crestron 2 way touch panel control

Main deck foyer

- Marble tile flooring in the port and starboard companionway and aft salon entry
- Sapele console cabinet with stone top
- Overhead recessed lighting
- Day head with Headhunter Royal Flush Hydro Vac toilet, mirrored overhead
- Marble vanity top with black Kohler undermount sink

Galley/Dinette

- Amico commercial vinyl flooring in a hardwood pattern
- Perimeter soffit with crown molding and rope lighting
- Sapele hardwood and Tiana cabinets
- Built-in storage
- Table with stone top with crescent edge
- Dinette counters are Crotch Mahogany, Sapele edge with high gloss finish
- Fashion Tech blinds and shades
- Stainless Kohler extra deep sink with cutting board
- (5) burner Dacor touch top cook top

- Dacor 30" convection oven/microwave
- GE trash compactor
- Broan hot water dispenser
- Insinkerator disposal
- ASKO dishwasher
- 42" LCD TV
- Satellite receiver with a pair of speakers
- Crestron touch panel control

Pilot House

- Wooden 24" helm wheel
- MTU integrated control head
- DDC/MTU engine instrumentation
- Carpeted flooring
- Black Spinney back leather control console
- Leather settee
- Mahogany settee table with high gloss finish
- King defrosters//heater on pilothouse console
- Exalto windshield wipers
- Mariner helm chair with leather that matches settee
- Clock/barometer, computer with wall mounted monitor
- Speakers
- Crestron touch panel control
- iPod docking station
- Whole boat audio signal

Navigation Electronics

The vessel is equipped with modern navigation and communications equipment suitable for worldwide operations. This equipment includes satellite based position and speed information. Gyroscopic and magnetic heading data, radar, electronic charting and depth finding. Communications equipment spans numerous transmission technology in compliance with safety regulations and to maximize contact with shore side and marine stations, enhancing the ability to communicate from any location.

- Transaas Navisailor ECS with 19" display and charts
- (2) Furuno FAR 2117 X band radars with 19" LCD displays (repeater on flybridge)
- Furuno FCV 1200BB-P with 15" monitor
- Furuno GPS GP-1500 Pilothouse & flybridge
- B&G wind/speed/depth with full function display
- Ritchie Globe master compass (pilothouse & flybridge)
- Furuno RD3 Depth sounder (capt cabin)

- Simrad autopilot AP50
- (2) VHF Icom M604 radios
- Icom M802 SSB with auto tuner
- GPIRB Airborne Technology
- (2) Loud hailer horns, integrated with VHF radios
- Internet connected thru the satellite telephone
- X-M satellite weather tuning on ships computer
- Panasonic PBX (14) stations digital phone system
- Satellite telephone Fleet broadband FB250
- Telular cellular phone system
- Comprehensive CCTV system controlled Elbex
- Security cameras for all deck entry points
- Infra-red camera FLIR mounted on the mast for night time navigation
- Video feeds from all cameras for viewing on the televisions;

Audio Video Electronics

- Each accommodation space is equipped with audio/video equipment which provides for a variety of entertainment choices. Audio/Video selections includes satellite based radio and television. Dockside Cable service, as well as on board sources including Blu Ray (DVD/CD) and a central movie server. Audio/Video distribution is controlled by Crestron system through wireless control. Control for all Audio/Video components is through Crestron programmed remote controllers. There is vessel wide battery back-up for Audio/Video components.
- Direct TV Satellite receivers
- Crestron XM & FM tuner
- Kaleidoscope movie/music server
- Movie server & five movie players

Aft Deck

- Wet bar with refrigerator, stone top, sink/ice bin with hot and cold water
- Misting system on aft deck soffit and overhead applique
- Molded-in settee with cushions, high gloss teak dining/cocktail table
- Storage lockers
- Spiral staircase down to crew quarters with weather tight door
- Aft deck boarding gates
- Security cameras on aft deck/port/starbd & engine room

- Teak table with design inlay
- 42" Exterior LCD TV
- Satellite receiver with a pair of speakers
- Crestron touch panel control

VIP stateroom

- Queen bed, upholstered headboard, storage below with rope lighting
- Recessed halogen room reading lights, indirect rope accent lighting
- Bronze mirrors on forward bulkhead above headboard
- Clear full-length mirror on wardrobe door
- Walk-in wardrobe, lined with aromatic cedar, auto light, cedar shelf
- Crotch Mahogany top and Sapele edge with high gloss finish
- 24" round hatch over the bed
- (2) Built-in bookcases at the headboard/vanity desk
- Entertainment center
- Cabinet in the stairwell locker
- Dresser and upper cabinets with doors
- 26" LCD TV
- Satellite receiver
- Blu Ray DVD/CD player
- Crestron touch panel control

VIP Head

- Custom molded fiberglass shower with Euro-style tempered glass door
- Headhunter Royal Flush Hydro Vac toilet
- Stone counters with crescent edge
- Kohler Vintage sink with Altmans fixtures
- Mirror above the vanity
- Recessed Halogen room lights
- Medicine cabinet & linen cabinet
- Stone floor

Master Stateroom

- California King (72"X 84") bed with upholstered headboard with storage under
- Recessed Halogen room lights
- Reading lights
- Table lamps for the end table
- Indirect rope accent lighting under bed and above the soffits

- Outboard lighting at hull side behind Roman blinds
- Overhead lights above the bed
- Bronze mirrors on the bulkhead above the headboard
- Walk-in wardrobe, lined with aromatic cedar, light, cedar shelf
- Crotch Mahogany counter tops and Sapele edge with high gloss finish
- Roman shade and blinds
- Opening port with privacy covers
- Nightstands with drawers - 1 drawer dresser
- Sofa
- Digital safe in the walk-in closet
- 42" LCD TV
- Surround Sound receiver & speakers
- Satellite receiver
- Blu Ray DVD/CD player
- Crestron touch panel control

Master Bath

- Marble & Altmans shower fixtures, Euro-style framless glass doors and latches
- Marble counters with crescent edge
- Two Kohler Vintage sinks with Jado Wynd fixtures, Platinum nickel finish
- (2) Mirrored medicine cabinets, lighted make up mirrors above each vanity
- Recessed Halogen room lights and vanity lights
- Marble tile flooring
- Altmans bath accessories
- Full width vanities, port and starboard, linen locker, clothes hamper
- (2) Headhunter Royal Flush hydro vac toilets

Mid Guest Foyer

- Bronze overhead mirror with Sapele trim
- Sapele cabinet console with stone top
- Marble tile flooring
- Overhead lighting
- luggage storage, guest stairs have section for storage

Port Guest Stateroom

- Queen bed , upholstered headboard with storage under
- Crotch Mahogany counter top and Sapele edge with high gloss finish
- Recessed Halogen room lights

- (2) Reading lights, indirect accent lighting under bed and above soffits
- Bronze mirrors on aft bulkhead above headboard full length mirror on door
- Cedar lined wardrobe, auto light, cedar shelf with keeper
- Crotch Mahogany counter top with high gloss finish
- Roman shades and blinds
- Opening ports with privacy covers
- (2) Three drawer night stands, one five drawer dresser
- 26" LCD TV
- Satellite receiver
- Blu Ray DVD/CD player
- Crestron touch panel control

Port Guest Head

- Headhunter Royal flush hydro vac toilet
- Molded fiberglass shower, Altmans fixtures with Euro-style frameless glass doors
- Kohler Vintage sink with Altmans fixtures
- Wall mirror above the vanity
- Recessed halogen room lights, vanity lighting
- Stone flooring
- Vanity & medicine cabinet

Starboard Guest Stateroom

- Twin beds upholstered headboard
- Recessed halogen room lights, two reading lights, indirect rope accent lighting
- Bronze mirrors on the aft bulkhead above the headboard
- Cedar-lined wardrobe, auto light
- Crotch Mahogany counter top with Sapele edge, high gloss finish
- Roman shade and blinds
- Three drawer movable nightstand
- Entertainment center with doors and 5 drawer dresser below
- 26" LCD TV
- Satellite receiver
- Blu Ray DVD/CD player
- Crestron touch panel control

Starboard Guest head

- Molded fiberglass shower, Altmans fixtures with Euro-style frameless glass doors
- Kohler Vintage sink with Altmans fixtures

- Wall mirror above vanity
- Recessed Halogen room lights, vanitylight
- Stone tile flooring,
- Marble counter tops
- Head Hunter Royal flush hydro vac toilet

Flybridge

- Steering controls on centered console
- Wing stations with flip-up steering units on P/S of console
- Wet bar with high gloss teak surface
- BBQ grill, refrigerator, (4) fixed bar stools
- (2) Crown Mariner helm chairs with foot rests
- Composite hard top with misting system
- Welded aluminum mast and composite with electronics
- Teak deck under hardtop
- Handheld waterproof Crestron remote control

Boat Deck

- 2500 lb Hydraulic boat davit wih 359 degree rotation
- Removable boat chocks
- Molded-in hot tub with sun pad top and storage below
- Sun lounge wih cushions and covers
- Nautica 15' widebody inflatable with 4-stroke 90Hp Yamaha motor & lift cables

Captain & crew

- Captain cabin is full-size and crew is three twin berths
- 110 VAC lighting recessed room lights and 24 VDC reading lights
- Clear full-length mirrors on the inside of wardrobe doors
- Cedar lined wardrobe with auto light, double doors, closet cedar shelf
- Digital safe in Captains cabin
- Solid surface counter tops
- Desk with solid surface top
- Crew lounge entertainment center
- Galley upper and lower cabinets
- Upholstered lounge settee
- Lounge table
- Built-in refrigerator, microwave, two upright, under-counter freezers
- Washer/dryer

- 32" TV in Capt cabin
- Satellite receiver
- Handheld crestron remote
- 22" TV in crew cabin
- DVD/CD player
- Satellite receiver in crew cabin

Crew Head

- Molded fiberglass shower with tempered glass doors
- Medicine cabinet mirror
- Amico commercial vinyl flooring in a hard wood pattern
- Solid surface counter tops
- Kohler sink with Altmans fixtures

Transom Boarding platform

- Teak decking
- Wash down hose bibs
- (2) pop-up deck cleats
- Gasoline fueling station
- Folding handle, stainless steel swim ladder
- Port/Starboard teak steps up to aft deck
- (2) Maxwell 3500 24V capstans
- (2) Mooring bitts
- Access door to the utility room
- 1-1/2" polished stainless steel hand rails
- (4) underwater lights

Engine room

- Bright white painted engine room
- Storage cabinets on forward and aft bulkheads and port/Starboard side
- Removable engine room flooring with black vinyl covering
- Stainless steel work bench with a 4" vice
- Pacific Coast water tight door
- FM200 fire suppression system with manual/auto console
- Additional fire suppression is located on the electrical distribution panel

Mechanical equipment

Approximately 5,500 gallons of diesel in one welded aluminum tank, internal baffles separated into three compartments with a transfer pump, meter and distribution manifold. Two deck fill locations amidships, port or starboard side. Tank is vented to atmosphere on both sides of the vessel. Tank level monitoring is via electronic sensor and display with high/low alarms

- (2) MTU/DDC 2000 HP 16V2000 main engines (2200 hours)
- (4) station controls-synchronizer and underwater exhaust
- (2) 65 KW 1800 RPM Northern Lights generators with sound shields
- Remote start/stop in the pilothouse
- PTO units on both generators
- American bow thuster 16" 40 HP with 4 station controls
- 48" Michigan Nibral 5 bladed props
- 4" Aquamet 22 prop shafts
- Jastram power steering with dual, engine -driven pumps, four stations
- Naiad Model 360 12 Sq.Ft. zero speed stabilizers (operates off main engines)
- Fuel transfer pump with flow meter & timer
- Dual Sea Pro fuel filters on each main with isolation valve
- Dual Racor 75/500 fuel filters on each generator
- Sight tubes in engine room and intelisea monitoring

- **GASOLINE SYSTEM:** The gasoline system consists of a tank, an air diaphragm pump, and hose with nozzle to transfer gasoline. The hose, nozzle and pump along with the tank fill are located under the hatch centered on the swim step deck. **LUBE OIL SYSTEM;** The vessels main engines and generator can be serviced utilizing an onboard lube oil change system. Aluminum New oil tank and Used oil tank (60 gallons each) are fitted in the engine room, The new oil tank can be filled via a deck fitting amidships on the starboard side. The quick connect hose and portable pump are used to transfer lube oil to/from the locations. **HVAC SYSTEMS:** The interior of the vessel can be kept at a constant temperature through the use of a seawater cooled//heated reverse cycle, treated water HVAC system. Four compressors the capacity is 24 tons and is distributed throughout the vessel via individual room air handlers of various sizes and BTU ratings. There is one (HVAC) keypad for two air handlers in the Master stateroom one for the two handlers in the Galley and two for the four handlers that serve the Salon. All other handlers are each controlled by a separate key pads. **BILGE SYSTEMS:** Five remote-mounted bilge float switches and Intelisea alarms on all float switches. Two electric 230V pumps with manifold lines to each major compartment with check valves, strainers and priming system. **FRESHWATER SYSTEM:** Multiple aluminum tanks with interior epoxy coating & sight tubes
- (2) Sea Recovery water makers (1400 GPD total)
- Five Micron sediment filters with UV light
- (2) Dual element fast recovery water heaters (80 & 38 Gal)

- **WASTE WATER:**
- Black and Gray water is routed to FRP tanks
- Headhunter MSD treatment for black and gray water
- Composite holding tanks electronically monitored (600 Gal)

- (2) Gray water boxes fitted with screens

Electrical

- All batteries are AGM
- (4) 8-D Main engine start
- (2) 8-D Generator start
- (2) 8-D Ships service
- (2) 8-D for Electronics
- (1) 95 amp charger 24V ships service
- (1) 70 amp charger 12V electronics
- (1) 40 amp charger 24V Main engine start
- (1) 40 amp charger 24V Generator start
- (2) 100 amp 2240V single phase/208V three phase shore feeds
- Glendinning cablemaster (2) 100' cables
- TV/Phone outlets
- (2) 36Kva 60Hz single or three phase power converter w/auto configure
- (1) Kva 50Hz frequency converter
- Dyna plate lightning protection antenna
- Cretron lighting controls
 - ALARMS & Monitoring: Vessel information and control is IntelliSea model IS-1. Fixes panels are located at locations providing operational information and alarm conditions with programing panel located in the Pilothouse. IntelliSea offers the vessel wide WiFi network, accessible with password.
 - (14) combo smoke/heat sensors in all staterooms & interior space
 - Heat sensor in the engine room
 - (4) CO2 alarms
 - Security system for all exterior entry doors
 - Tank level monitors
 - AC supply switching from all available sources
 - Five bilge switches monitored for water level

Safety equipment

- (2) 8-person Zodiac life rafts
- coast Guard approved adult life preservers with lights
- (2) 24" ring buoys
- Flare kit
- Fire suppression dry chemical type extinguishers

Mooring and Anchor

Braided nylon dock lines

- (8) stainless steel Bitts
- (6) Stainless steel hawse eyes forward, two hawse eyes at the swim step
- Dual Poole style 300 lb polished stainless steel anchors
- Polished stainless steel anchor plates
- 350' 5/8" X 2 anchor chain for two anchors
- (2) Maxwell 4500 hydraulic winches with band brakes
- Wash down system on the foredeck
- (2) Maxwell 3500 24V Capstans

Construction

Hull is fiberglass mat and roving with airex PVC core on the bottom and Corecell on the sides. Hull has an outer layer of Fiberglass laminate with Vinylester resin. Engine stringers and hull stiffeners are laid up with fiberglass and foam type construction. The superstructure is fiberglass and foam construction. The interior deck and bulkheads are fiberglass sandwich type construction. The exterior paint is Alexseal 501 top coat, Hull and superstructure is stark white & the boot stripe is high gloss black. Bottom paint is Seahawk black with an epoxy barrier coat.

Excluded from the sale

EXCLUDED FROM THE SALE: Owner & Crew personal belongings and any other item aboard not specifically listed herein. An itemized exclusion list will be provided prior to an offer to purchase.

Исключения

При продаже яхты исключаются личные вещи владельца.
