Overview

ONE OWNER!

Super clean inside and out, this one-owner Grady-White 360 Express should be on your short list to see.

This 2008 Grady-White 360 Express was commissioned in 2010. This boat has bottom paint, low hours, an extensive equipment list and motivated seller. All engine services performed 8/17 and updates were completed on the twin Yamaha F350s. The boat just had a full detail on her with a 5-step process, new upholstery in the cockpit and is ready to go. Enjoy some warm South Florida weather and inspect your dream boat NOW -- this boat will go quick.

The Grady-White 360 Express was introduced in 2007 as the world's largest outboard powered production cabin boat. It offers many best-in-class features and virtually everything was standard equipment. Try finding another 36' Express cabin with a yacht-class stacked fridge/freezer combo! For 2008, the model was upgraded with the introduction of the F350 Yamaha V8 outboard. With twin F350s, Grady-White performance data advertises top end speeds above 40 mph, cruise speeds around 30 mph, and a 300+ mile range.

With the roomy 13'2" beam, cavernous head room, and long list of features, this model should be on the list for your consideration!

This model includes:

- Bow thruster
- 8kW Fischer Panda diesel genset
- Cabin & Helm A/C
- Garmin electronics, radar, autopilot, VHF radio
