SPECIFICATIONS

Overview

BULA BULA has been updated regularly including paint and interior refurbishing and re-powering in 2010 with Detroit Diesels. Full cockpit cover and sunshade. Wide side decks offer spacious passage to bow. Stainless steel ladder allows easy access to flybridge with Isinglass enclosure on three sides. Guest bench seating is located forward. Captain's and companion helm chairs allow full view of the electronics in both the lower console and upper electronics cabinet.

From the Cockpit, enter the comfortably sized Salon through a single door. Custom couch with storage, and updated teak flooring here and throughout the boat. Windows on both sides of salon let in plenty of natural lighting and provide a great view of the water. The Galley is located starboard and equipped with all new appliances including refrigerator, freezer, microwave and sink.

The Master is amidships to port with full-size bed ensuite head and shower. Forward and starboard are the Day head and shower. The Forward V-berth cabin is located forward with a filler has private entry into the day head.
