# ПОДРОБНОЕ ОПИСАНИЕ

## Vessel Information

Angela Dawn (a 2008 Lazzara LSX 75) is a beautiful custom yacht built for an experienced yachtsman. She recently completed a major refit including; **all new engines and pods (with warranty until 2019)**, all new Garmin Glass Cockpit, Added Humphries stabilizer system, two rebuilt generators and more.

This is one of the most comprehensive builds in the 75 LSX class Lazzara has ever done. The aft deck has a custom sliding glass door that opens almost the entire span of the aft deck. This allows for a completely open feeling when inside the salon. The interior wood throughout the vessel was custom stained to owners preferences, making this the only LSX with this color wood.

The starboard stateroom has been modified to adjoin the master stateroom via a pocket door in the master. This room features a beautiful full size dresser, couch, full head and a Pullman that folds down above the couch. This room can act as a guest room when necessary but ultimately expands the MSTR usable space.

Don't miss your chance to own a truly one-of-a-kind Lazzara LSX 75 including all new engines and pods and Volvo factory warranty!
