DETAILED INFORMATION

Vessel Walkthrough

Stepping into the salon, one will immediately notice the exquisite Birds Eye Maple interior and beautiful finish work expected to be seen in a custom Rybovich. The salon seating is covered in tan leather with taupe color wool carpeting. To port is a L-shaped sofa with a new teak Release Marine cocktail table with storage. Across to starboard is another seating area with décor pillows followed forward by a cabinet containing a pop-up 40' Samsung LED TV, that can be viewed from all seats, and a new Bose Lifestyle audio/DVD system. Finishing out the salon area are upholstered valance panels, Poseidon blinds and overhead LED recessed lighting in the new headliner with full dimmer controls, New Vantage Lighting System.

Moving forward is the galley area which is separated from the salon by a grey Corian countertop with two polished stainless barstools and a stainless foot rail. This area has double bullnose Corian counters with a white undermount sink in the center and Kohler faucet fixtures tucked beneath the upper countertop. The galley flooring changes to a red mahogany and maple sole. The main electrical distribution panel is in the end of the galley cabinet behind a solid door.

Four wood steps down to the companionway, covered in neutral wallpaper with maple trim and a carpeted sole. This area houses the three staterooms, two heads and a laundry closet with separate Whirlpool washer and dryer units.
