SPECIFICATIONS

Overview

This truly unique vessel combines the tranquillity of a beautiful river barge with the facilities of a fine motoryacht. Savvy offers spacious and airy reception areas as well as accommodation for six guests in three cabins. She also features an on deck jacuzzi. The vessel, designed by H2 Design, won the International Superyacht Design award in 2005. She was built by Hakvoort Shipyard in Holland and is propelled by diesel electric engine that not only provides silent travel but also remarkable fuel efficiency and very low emissions.

Remarks

This truly unique vessel combines the tranquility of a lovely river barge with the facilities of a fine motoryacht. SAVVY offers spacious and airy reception areas as well as accommodation for 6 guests in three cabins. She also features teak decks and an on deck Jacuzzi. The vessel, designed by H2 Design, won the International Superyacht Design award in 2005. She was built by Hakvoort Shipyard in Holland and is propelled by a diesel electric engine that not only provides silent travel but also remarkable fuel efficiency and very low emissions. With her extremely shallow draft, she was especially designed and built for cruising inland waterways and is perfectly suited for even the shallowest waters. Savvy also makes an exceptional floating/mobile base and her deck areas are ideal for expansive entertainment.

In June 2021 Savvy underwent Lloyds 2.5 Year Interim Survey

In June 2018 Savvy completed her Lloyd's 100A1 Class survey.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated.
