## Manufacturer Provided Description

---

In the smooth acceleration of her next generation twin jets you feel the heart-pumping innovation of Hinckley design and engineering at its very best. This Hinckley flies—up to 33 knots. And she goes wherever you please with just 24 inches of draft. Make a date with the 34—you'll need the rods for early morning angling, the tube for an afternoon of thrilling the kids. At sunset, the 34 will entertain you and your friends for a harbor cruise. True, there's an impressive hull structure supporting all this, and fingertip Jetstick control of all of that power and energy.
