## Overview

---

Offered for sale by the original owners, TUKO is the result of an experienced yachting couple's quest to build the perfect boat. Painstaking time and effort went in to the many custom features, all of which we practical minded and thoughtfully executed. TUKO is maintained to the highest standard and shows extremely well. MTU diesels provide a cruise speed in the mid 20s, topping out around 27 knots. Other features include twin 25kW gensets, two watermakers, bow and stern thrusters, Wesmar stabilizers, massive house battery bank, 5kW inverter, bait tank, kill box tackle center, abundant reefer/freezer space, and much more. TUKO must be seen to truly appreciate. She is a rare and exceptional offering in today's market. The covered shed in Seattle may be available for purchase with the sale of TUKO.

## Accommodations/Walkthrough

---

TUKO sleeps 6 guests in 3 staterooms, 3 head layout plus 2 in the crew quarters aft. The salon features a massive U-shaped sofa, coffee table, full entertainment system, wet bar, a custom glassware case on an electric lift, and abundant storage space. Moving forward and up several steps is the pilothouse, which is shared with an open galley and large settee. The guest accommodations are accessed via a curved companionway on the starboard/forward end of the pilothouse. The master is a full beam stateroom located in the mid ships section of the boat. The VIP is in the forepeak and the guest stateroom is located on the port side between the master and VIP. All three staterooms have ensuite heads, which was not a common feature for West Bays of this size.

The flybridge can be accessed via a stairway from the pilothouse or a companionway ladder from the aft deck.

Access to the crew quarters is gained via the cockpit, and features one stateroom with over/under twin berths, and ensuite head with stall shower, and crew galley/utility area.
