Manufacturer Provided Description

The weekends are all too short, so to help pack in all the recreation and relaxation anyone can handle, there's the Sea Ray 310 Sundancer - the sport cruiser with all the features, fun, and fuel capacity needed to get away from it all. At the helm, the latest technology is in place, including a Lowrance 3500 digital depth finder with transducer, compass, power steering, power tilt and trim; a standard Raytheon VHF radio; and

custom Sea Ray backlit instrumentation with a concealed circuit breaker panel. Of course, with twin 250 horsepower Bravo stern drives, the 310 Sundancer has more power than ever. With a walk-through transom, extended swim platform, and a cockpit with everything from a wet bar and cooler to a stylish forward-facing fiberglass sport spoiler for easy entry at the dock, the 310 Sundancer is engineered for good times. A custom adjustable helm seat, a companion bench seat with aft-facing bench seat, plus a full aft bench seat all make sure there's plenty of room for everyone. A standard aft cockpit table with sunpad filler cushions and an optional forward deck sunpad with stainless steel deck runners provide ample room for sunbathing. And, as always, Sea Ray provides an enormous amount of storage space in the cockpit side panels and below the companion seat. With the fender storage in the aft wall there's also concealed water and dockside power hookups. Even maintenance is no problem courtesy of the self-bailing fiberglass cockpit liner, snap-in carpet liner and freshwater washdown with hot and cold cockpit shower. Below deck, the cabin of the 310 Sundancer reflects the same attention to detail Sea Ray puts into its larger craft, including tasteful granite color schemes in Aurora or Sandstone, 40-ounce stain-resistant carpet, interior Sunbrella carpet runners, and floor and gunwale cabinet storage. In the salon area, there's a convertible dinette with mirrored accents opposite the galley. The forward raised V-berth offers plenty of sleeping and storage space with a hanging locker, gunwale shelf, and a portside storage cabinet, shelf and flip-out drawer. The mid-stateroom serves as a salon area, then at nightfall, slide the privacy curtain closed and it sleeps two in a convertible double bunk with sliding base and filler cushion storage. And guests can put away all their personal articles in a convenient hanging locker with vanity top. The standup head area is fully enclosed and features a shower, sink, and VacuFlush toilet. Of course, even the most die-hard traveler would be lost without a full-service galley, including a space-saving recessed two-burner electric stove, recessed sink, microwave, and refrigerator. Sea Ray even added a Clarion AM-FM digital cassette stereo with amplifier, six-disc CD changer, six speakers and cockpit remote control, just to make sure the comforts of home are never left too far behind.
