Overview

Designed specifically for the U.S. market, this new Horizon FD85 luxury yacht offers the ultimate indoor/outdoor cruising experience. Her incredible 23'3" beam provides a five en suite guest stateroom layout – including an on-deck Master – plus crew quarters aft. Large windows bring in natural light throughout the contemporary-styled interior, which blends beautiful Anegre wood with neutral soft goods and mixed materials to create a luxurious yet relaxed atmosphere. Reminiscent of a luxury resort, her exterior spaces include a spacious aft deck with lounge seating, a hi/lo swim platform, and open flybridge designed with a helm station and entertaining in mind.

The result of a close collaboration between world-renowned yacht designer Cor D. Rover and Horizon's in-house naval architecture team, the FD85 motoryacht features superior cruising capabilities that complement living and entertaining spaces comparable to 100-foot-plus megayachts. Below the waterline, the FD85 includes the new High Performance Piercing Bow (HPPB) designed to ensure enhanced performance and stability. With a striking exterior appearance, efficient layout, and flexible speeds, the Horizon FD85 provides the opportunity to enjoy your surroundings while yachting in uniquely styled and luxurious accommodations.
