## Overview

---

The 52 Viking Convertible epitomizes the legendary status of Viking as one of the most successful hull designs produced, and "Terrabean" is the ultimate example of this craftsmanship, she's the one to buy! Terrabean has enjoyed meticulous care from her owners, and has continued to be maintained to the highest standard. Previously the personal sportfish of Fort Lauderdale's most respected MAN Authorized dealer, the services are naturally up-to-date on the 1300 HP MAN engines, and every MAN upgrade has been performed. She was repainted in the spring of 2015 by Luu Marine in Fort Lauderdale, and her electronics, interior woods, exterior cushions, enclosures and chairs have all been either upgraded, replaced or refinished. Terrebbean has continued to receive constant care and many upgrades. A must see for any Viking enthusiast.

## Basic Information

# DETAILED INFORMATION

---

## Walk Through

---

The 52 Viking convertible was the successor to the earlier 55 Viking convertible, with the most notable engineering improvements to the hull shape, bringing a softer ride with better sea keeping ability and enhanced interior with its wider 17'5" beam and sizeable 3 stateroom 2 head layout.

Terrabean underwent a major refit including a complete paint job, new Simrad 16" monitors with remote command, chirp sounder, and 96 mile radar with 7' array. The interior wood was refinished, flybridge and tackle center cushions were replaced, and all teak chairs and fighting chairs have been refinished. A true best-in-show of any of the 52 Vikings for sale today.

This 52 convertible is completely outfitted to fish:

- Pipewelder's Tower
- Rupp Marine outriggers
- Electric Teaser Reels
- Teak Helm Chairs and Teak Fighting Chair with Rocket Launcher
- Cockpit Tuna Door, Bait Freezer and Tackle Station
- Water Maker and Ice Chipper
- 1300 HP MANs and Trolling Valves

Boarding from the cockpit this 52 Viking features a fighting chair with rocket launcher back and foot rest. There is a livewell, large fishbox, and ice chipper holding bin in the deck sole. The aft of the cockpit features a tuna door to starboard, 5 gunwale mounted rod holders, and 10 rocket launchers positioned around the tower and tower support legs aft of the pilasters. The forward bulkhead of the cockpit has fresh and saltwater wash-down outlets, as well as dock freshwaters supply inlets to port. The cockpit bait freezer, tackle station, bait prep station, engine room entrance, step cooler, storage cabinet, and 50 amp power connections. The ladder to the flybridge is to starboard.

The flybridge features two teak helm chairs, updated electronics, overhead teaser reels concealed into the hardtop, and forward to side seating. The flybridge has  $\frac{3}{4}$  Eisenglass enclosures. Entrance to the salon is to starboard through a sliding door. The interior is

finished in flat panel teak veneers with Corian counter tops, carpeted salon, and Amtico teak and holly sole forward in the dinette and galley area. The power management panels and entertainment electronics are located in the starboard cabinetry. There is a large L-shaped settee to port aft with an oval teak table. The galley is to port with under-counter refrigeration, stovetop, convection microwave, and large sink. There is plenty of cookware, glass and dish storage available via pull-out drawers and cabinets. There is a U-shaped dining settee with flat panel TV overhead forward.

The master and guest/crew cabin are accessed via companionway offset amidship to starboard. There is a washer and dryer located to starboard in a closet at the base of the staircase into the companionway. The guest/crew to starboard features over-under bunk berths, a hanging locker, and entrance to the guest/day head with lighted vanity, toilet and shower.

The VIP stateroom is in the bow and features a double berth with a single berth over off to starboard and hanging locker. The master is to port with a queen berth, nightstands with lamps, large hanging locker, flat panel TV with entertainment, and an en-suite head with lighted vanity, toilet and shower.
