SPECIFICATIONS

Overview

Here is an opportunity to own an extremely spacious 54' 3 stateroom yacht for cruising or living aboard in ***truly exceptional condition***. Blondie is also perfect for entertaining large groups with multiple areas for socializing. The improved design of the Hatteras 54 Motor Yacht replaced the venerable 53 Classic in 1985. Hatteras planned the 54 to have a wider beam, more headroom, larger engine rooms, higher power and a completely redesigned flybridge which offers a far superior entertaining area.

Without a doubt one of the nicest Hatteras Motor Yachts on the market.

The carpet, window treatments and bedding were all recently replaced. Fully equipped including Naiad stabilizers, bow thruster, autopilot, synchronizer and full upgraded electronics (three GPS plotters, two VHF's, XM radio & weather, satellite TV). Completely detailed and serviced engine rooms, new bottom paint and a fully restored 11 ft.

Boston Whaler with a 20hp Mercury engine. The hinged radar arch is a plus for anyone desiring to do the "Great Loop". The enclosed aft deck contains a custom teak dining table and is complimented by teak folding steamer chairs and matching serving cart.

Turnkey! Everything necessary for your next cruise is here. Blondie is a must-see for any Hatteras enthusiast!

DETAILED INFORMATION

Interior

Port and starboard side doors or the aft sliding door gains entry to the Pilothouse and main Salon which is separated from the Pilothouse by the helm seating and the Flybridge access stairway. The roomy Pilothouse has full controls and instrumentation. A mesh windshield cover provides privacy while at dock while still allowing visibility. The port side stairs which lead down to the Galley, center walkway, and forward Guest Stateroom all have teak and holly soles.

The main Salon is carpeted and contains a cream L-shaped leather sofa to starboard, large teak and beveled glass coffee table, two cream leather swivel chairs to port, teak and glass side table with lamp. In the wide console behind the helm are a built-in HDTV, DVD, satellite receiver, stereo, icemaker, wet bar and ample storage. Privacy is provided by custom wood shades on the windows and pull down shades on the sliding glass door.

The enclosed Aft Deck is accessed through side wing doors, or the Salon sliding glass door and contains a custom teak dining table with teak steamer chairs, a matching custom serving cart, two rattan casual chairs, new carpeting throughout, external audio speakers, and multiple lighting options.

Down five steps from the Pilothouse port side is the Galley containing a four burner electric range, oven, convection microwave, trash compactor, stainless refrigerator with bottom freezer, large stainless sink, garbage disposal and ample storage. To port at the Galley level is a four person dinette backed by a custom etched glass mirror.

Forward of the Galley is a private Guest Stateroom with an extra wide lower and upper berth. There is an ensuite electric head and an enclosed stall shower to starboard. Also to starboard is a separate stacked washer/dryer. This cabin serves very well as separate Captain or crew quarters.

Heading aft, down three steps from the Galley, you pass the dual sound-insulated engine rooms amidship, each of which has two entry doors, fore and aft, for ease of access and maintenance.

Further aft to starboard is the VIP Stateroom containing twin berths with padded headboards, mirrored bulkhead, centerline cabinet, and large hanging locker. An HDTV with DVD is mounted on the locker wall. Across from the VIP Stateroom to port is a large head with a stall shower.

Further aft is the Master Stateroom, containing ensuite head, large cedar-lined closet, multiple drawers, and a padded queen centerline bed flanked by additional counter space and drawers. Also provided is an HDTV with DVD and satellite receiver. The ambiance is enhanced by

custom cellular shades and rope lighting.

Exterior

The vessel is boarded via an articulating stairway or your own fixed steps from either port or starboard.

Wide side decks with teak cap rails (and covers) lead to the Foredeck which offers a large sundeck and comfortable forward seating. For your convenience are two large storage boxes, an electric windlass and an anchor with pulpit. Multiple shore power connections are available on both exterior sides of the Pilothouse. In addition a 50 amp power cord take-up reel is available to port.

The Flybridge accessed from the pilothouse has a huge additional entertaining area with U-shaped seating for 10 and removable teak inlaid table. The bridge also includes dual helm seats, hinged radar arch, full instrumentation, bimini top, and easy access to the low profile davit and included **11 ft. Boston Whaler with a 20 hp Mercury outboard.**

A large fiberglass swim platform is accessed from the central Aft Deck ladder.
