DETAILED INFORMATION

Vessel Walkthrough

Sexy Lady is a 2017 Hatteras 60 Motor Yacht that is equipped with many Hatteras upgrades and custom items from the standard vessel. This beauty offers three staterooms and two heads with the master being full beam and mid-ship. She is powered by Twin Caterpillar C-18 Engines at 1135 hp with 440 hours. Some of the upgrades which make this vessel so special include a bow thruster, dual SeaKeeper Gyro Stabilizers, and a hydraulic swim platform. **Sexy Lady** has the new exterior mid-ship hull windows and teak flooring on the aft deck. This aft area is complimented by custom underwater lights. The aft deck is very spacious with half moon seating and high gloss table which allows for two chairs to be positioned stern facing. Just forward of the aft deck is a stainless sliding door that leads to the salon. This area feels large in size due to its 18' beam which allows for a custom L-Shaped couch to port and a club chair to the starboard side. This includes upgraded carpet with a walnut boarding running into the galley as you make your way forward. The custom built dinette table allows for six or more guests for entertainment and the galley is positioned to the starboard. As you make your way down the stairs into the lower companionway, there are three staterooms and two heads making living comfortable and accessible for its guests. **Sexy Lady** has a bridge to dream about. With dual helm seating and a new Kenyon grill on the aft bridge, it makes for a perfect vessel to captain and entertain. It includes state of the art, upgraded electronics, including a yacht controller and XM Weather radar making it easier to navigate. **Sexy Lady** is available for viewing in Fort Lauderdale, FL. To view the slideshow of this vessel, type [http:// then paste caryjohn.zenfolio.com/p448399044/slideshow](http://thenpaste.caryjohn.zenfolio.com/p448399044/slideshow)
