Overview

Motivated Seller - Bring All Offers!

The 65 Hatteras was the most popular 65 ever built. 'Times Change' boasts 183 square feet in her cockpit, the roomiest in her size for that era vessel. She has a very large bridge with forward and aft steering stations. She is owned by a knowledgeable owner and has a full time Captain that keeps her ready for her next trip at a minute's notice. 'Times Change' is a fine example of an older vessel that is in great condition!
