SPECIFICATIONS

Overview

ANCHOR MANAGEMENT is a perfect example of a yacht that is maintained to very high standards. The owner has always had a full time crew onboard and provided them with the budget to complete all of the Services when due and replace and repair when required. Days before listing the vessel for sale the owner received the brand new exterior cushions for the flybridge and the brand new galley equipment has only been used a few times. The owner has just taken delivery of another yacht so he is very motivated to sell ANCHOR MANAGEMENT immediately.

Upgraded 1500hp MTU 12V 2000 engines

DYSID:3145628
