## Vessel Walkthrough

---

The 51 Riviera is the most spacious vessel in her class, dwarfing her competition in interior accommodation. Upon entering the salon, immediately one is struck with the high quality of craftsmanship and practicality of her layout. Gloss American cherry wood and muted tones of leather and fabric add a warmth and inviting ambiance. The L-shaped sofa is immediately to port with a sleep sofa on one side and storage on the other. Across to starboard is the electrical panel behind smoked plexiglass, a complete bar set-up, and a U-Line wine cooler and icemaker. The dinette, with great storage, is located all the way forward to starboard with entertainment center on the dash. Rod storage is cleverly disguised in the overhead with an electric drop-down door. To port and own one stop is the complete equipped galley with Amtico flooring (cavernous storage below), solid surface counter tops, drawer style refrigeration, and ample cabinet space. Down the companionway to starboard is the master stateroom with a queen berth (lift for storage), and ensuite head. There is a hanging to starboard, vanity, and storage lockers along the outboard side of the cabin. The guest stateroom is across to port with bunks, hanging storage, as well as drawers under the lower berth. Forward on center is the VIP guest stateroom with pedestal berth (lift for storage) with ensuite head that also has access from the companionway. This stateroom also has drawer storage. The over/under washer dryer laundry is in a separate locker, with high gloss cherry doors, to starboard in the passageway.
